

Porsche 911 Targa 4 GTS (991.2)

A distinctive blend of open-air driving and motorsport engineering, this 911 Targa 4 GTS combines iconic design with high-performance hardware and a focused driver environment.

Power & Precision

Equipped with a performance-tuned engine, dynamic engine mounts, and rear-axle steering, this configuration delivers sharp handling and strong responsiveness.

Driver-Focused Interior

Extensive leather trim, Sport Seats Plus, and a GT sport steering wheel create a cockpit centered entirely around control and comfort.

Advanced Technology

From PDLS+ lighting to high-end navigation and premium audio, the vehicle integrates modern systems seamlessly into a classic sports car layout.

Vehicle Specification

Brand Porsche

Model 911 Targa 4 GTS (991.2)

VIN WP0BB2A93KS125XXX

Production Date 2019-05-08

Model Year 2019

Engine Code DCJ

Transmission G9135 / 7-speed manual transmission

Drive Type All-wheel drive

Paint C9X / Jet Black Metallic

Market North America / Canada

TOP 10 HIGHLIGHTS

Key Configuration Highlights

This specification focuses on chassis sophistication, long-distance usability, and a highly resolved driver environment without losing the sharp identity expected from a GTS.

450

Porsche Ceramic Composite Brakes

The PCCB system delivers exceptional stopping power with reduced unsprung mass. It enhances braking consistency under demanding conditions.

470

Rear-Axle Steering

Rear-axle steering improves agility at low speeds and stability at high speeds. It significantly sharpens cornering dynamics.

475

PASM Adaptive Suspension

Electronically controlled damping continuously adjusts to road conditions. This ensures both comfort and precision handling.

176

Sports Exhaust System

The sports exhaust enhances engine acoustics and throttle response. It delivers a more engaging driving experience.

QR5

Sport Chrono Package Plus

Adds performance-focused driving modes and timing functions. It sharpens throttle, suspension, and drivetrain behavior.

XEY

852

LED Headlights with PDLS+

Advanced LED headlights adapt dynamically to steering input and speed. High-beam assist enhances nighttime visibility.

9VJ

Top Premium Sound System

A high-end audio system delivers clear, powerful sound throughout the cabin. It complements long-distance comfort and daily usability.

323

324

Sport Seats Plus (18-way)

Fully adjustable sport seats provide excellent lateral support and comfort. They are tailored for both spirited driving and longer journeys.

541

342

Seat Ventilation and Heating

Climate-controlled seats ensure comfort in all conditions. Ventilation and heating extend usability across seasons.

638

Park Assist with Camera

Front and rear sensors combined with a reversing camera simplify maneuvering. It improves confidence in tight urban environments.

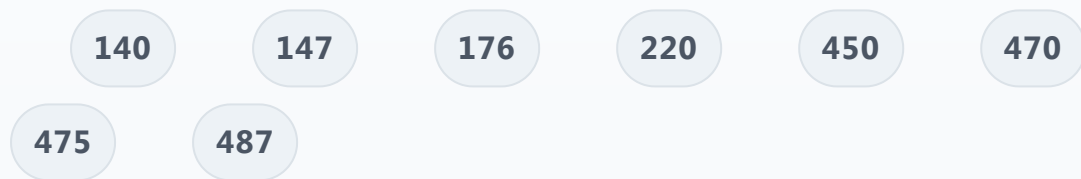

CATEGORY OVERVIEW

Configuration by Theme

The overall composition balances core performance hardware with modern comfort, safety, and market-specific detailing in a way that feels deliberate rather than excessive.

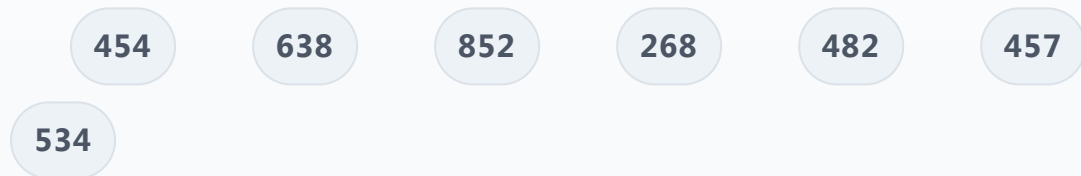

Powertrain, Chassis & Running Gear

This configuration focuses on performance through advanced chassis systems, mechanical grip, and responsive drivetrain components.

Safety & Driver Assistance

A comprehensive set of systems enhances awareness, protection, and driving confidence in both everyday and high-speed scenarios.

Comfort & Interior

The interior combines luxury materials with ergonomic design, creating a refined yet driver-focused environment.

858

541

342

323

324

630

573

Infotainment & Connectivity

Modern connectivity and entertainment features integrate seamlessly, ensuring convenience without distracting from the driving experience.

7UG

9VJ

UI2

QU8

9ZC

GB2

Exterior & Design

The exterior reflects a balance of classic Targa styling and performance-oriented detailing, with distinctive finishes and design elements.

009

011

Standout Combination

Dynamic engine mounts, sports exhaust, rear-axle steering, adaptive damping, ceramic brakes, and a 7-speed manual gearbox create a distinctly driver-led specification, while all-wheel drive, comfort seats, premium audio, and climate-focused seat functions keep the car exceptionally usable beyond ideal-road conditions.

OWNERSHIP VIEW

Practical Perspective

This configuration carries genuine enthusiast appeal, but its strongest long-term value comes from how well the performance hardware is supported by comfort, safety, and real-world drivability.

Brake Maintenance

Ceramic brakes offer long lifespan but replacement costs are significantly higher than conventional systems, making careful inspection important.

Suspension Complexity

Adaptive systems like PASM and rear-axle steering require proper calibration and maintenance to retain optimal performance.

Interior Wear

Extensive leather surfaces elevate quality but benefit from regular conditioning to maintain their appearance over time.

Electronics and Connectivity

Advanced infotainment and assistance systems depend on software stability and updates for consistent operation.

All-Weather Capability

All-wheel drive enhances usability in varying conditions, making the car more versatile than typical rear-driven sports cars.

Engine & Gearbox

The DCJ engine represents a performance-focused configuration with enhanced responsiveness and output characteristics, supported by dynamic engine mounts that stabilize drivetrain movement under load.

The 7-speed manual transmission delivers direct mechanical engagement, allowing precise control over gear selection and maximizing driver involvement across different driving scenarios.

Combined with all-wheel drive and supporting chassis systems, the drivetrain achieves a balance between traction, control, and driver feedback, maintaining composure under both spirited and everyday use.

Vehicle View

A highly specified 911 Targa 4 GTS that combines mechanical purity, advanced chassis technology, and refined comfort into a focused yet versatile sports car.

COMPLETE APPENDIX**Factory Option Detail**

All listed configuration entries are retained below, including market-specific, standard, omission, and undefined factory codes where present.

CODE	TITLE	DESCRIPTION	CATEGORY
Factory, Market & Misc.			
7CA	Emissions standard	LEV3 / Tier3 160 emissions standard.	Factory, Market & Misc.
KK3	Refrigerant	R1234YF refrigerant.	Factory, Market & Misc.
IY2	Model year period	Model year production period from calendar week 45 to week 22.	Factory, Market & Misc.
ER3	Radio regional code	USA regional coding for radio.	Factory, Market & Misc.
009	Model designation	"s" designation for 981/991.	Factory, Market & Misc.
011	Special model	GTS special model for 981/991.	Factory, Market & Misc.
094	Factory code 094	Factory or market code listed without description.	Factory, Market & Misc.
098	Left-hand drive	Left-hand drive configuration.	Factory, Market & Misc.
OJZ	Factory code OJZ	Factory or market code listed without description.	Factory, Market & Misc.
OSS	Factory code OSS	Factory or market code listed without description.	Factory, Market & Misc.

CODE	TITLE	DESCRIPTION	CATEGORY
0YZ	Factory code 0YZ	Factory or market code listed without description.	Factory, Market & Misc.
113	Canada version	Canadian market version.	Factory, Market & Misc.
130	Language version	English language labels or lettering.	Factory, Market & Misc.
1EB	Factory code 1EB	Factory or market code listed without description.	Factory, Market & Misc.
1T0	Factory code 1T0	Factory or market code listed without description.	Factory, Market & Misc.
200	Battery	95 Ah battery.	Factory, Market & Misc.
247	Factory code 247	Factory or market code listed without description.	Factory, Market & Misc.
533	Convertible roof remote operation delete	Remote operation for the convertible top omitted.	Factory, Market & Misc.
553	US/Canada version	United States / Canada market version.	Factory, Market & Misc.
585	Factory code 585	Factory or equipment code listed without description.	Factory, Market & Misc.
664	Factory code 664	Factory or equipment code listed as "Orvr" without further description.	Factory, Market & Misc.
708	Factory code 708	Factory or equipment code listed without description.	Factory, Market & Misc.
714	Factory code 714	Factory or equipment code listed without description.	Factory, Market & Misc.
754	Factory code 754	Factory or equipment code listed without description.	Factory, Market & Misc.

CODE	TITLE	DESCRIPTION	CATEGORY
764	Factory code 764	Factory or equipment code listed without description.	Factory, Market & Misc.
785	Factory code 785	Factory or equipment code listed without description.	Factory, Market & Misc.
9NX	Factory code 9NX	Factory or equipment code listed without description.	Factory, Market & Misc.
9WT	Factory code 9WT	Factory or equipment code listed without description.	Factory, Market & Misc.
B35	Factory code B35	Factory or equipment code listed without description.	Factory, Market & Misc.
CFX	Factory code CFX	Factory or equipment code listed without description.	Factory, Market & Misc.
CHK	Factory code CHK	Factory or equipment code listed without description.	Factory, Market & Misc.
CNG	Factory code CNG	Factory or equipment code listed without description.	Factory, Market & Misc.

CODE	TITLE	DESCRIPTION	CATEGORY
EL5	Factory code EL5	Factory or equipment code listed without description.	Factory, Market & Misc.
QH1	Factory code QH1	Factory or equipment code listed without description.	Factory, Market & Misc.
SM4	Factory code SM4	Factory or equipment code listed without description.	Factory, Market & Misc.
XLZ	Model edition	Targa 4 GTS Exclusive Edition.	Factory, Market & Misc.
Powertrain, Chassis & Running Gear			
QR5	Sport Chrono Package Plus	Sport Chrono Package Plus with performance-focused timing and drive functions.	Powertrain, Chassis & Running Gear
460	Wheels	20-inch RS Spyder Design wheels.	Powertrain, Chassis & Running Gear
UX7	Tyre valve finish	Black tyre pressure monitoring valves.	Powertrain, Chassis & Running Gear
140	Dynamic engine mounts	Dynamic engine mount system (PADM).	Powertrain, Chassis & Running Gear
147	Engine tuning	Carrera engine tuning.	Powertrain, Chassis & Running Gear
176	Sports exhaust system	Sports exhaust system.	Powertrain, Chassis & Running Gear
220	Limited-slip differential	40% locking differential.	Powertrain, Chassis & Running Gear

CODE	TITLE	DESCRIPTION	CATEGORY
450	Ceramic brakes	Porsche Ceramic Composite Brake (PCCB).	Powertrain, Chassis & Running Gear
470	Rear-axle steering	Rear-axle steering system.	Powertrain, Chassis & Running Gear
475	Active suspension	PASM electronically controlled damping system.	Powertrain, Chassis & Running Gear
487	Transmission	7-speed manual gearbox.	Powertrain, Chassis & Running Gear
493	Wheel balancing weights	Black balancing weights.	Powertrain, Chassis & Running Gear
657	Power steering	Power steering.	Powertrain, Chassis & Running Gear
642	Start-stop system	Start/stop function with regenerative braking reference in source.	Powertrain, Chassis & Running Gear
Safety & Driver Assistance			
638	Park distance control	Front and rear parking assistance with reversing camera.	Safety & Driver Assistance
454	Cruise control	Cruise control system.	Safety & Driver Assistance
852	Light assist systems	PDLS+ with high-beam assist.	Safety & Driver Assistance
268	Rain sensor	Rain sensor.	Safety & Driver Assistance

CODE	TITLE	DESCRIPTION	CATEGORY
335	Rear seat belts	Automatic 3-point rear seat belts.	Safety & Driver Assistance
465	Rear fog lamp	Left rear fog lamp.	Safety & Driver Assistance
482	Tyre pressure monitoring	RDK tyre pressure monitoring, 433 MHz.	Safety & Driver Assistance
521	Tilt sensor	Tilt sensor.	Safety & Driver Assistance
525	Immobilizer and central locking	Immobilizer and central locking, 315 MHz.	Safety & Driver Assistance
534	Anti-theft alarm	Anti-theft alarm system, 433 MHz.	Safety & Driver Assistance
536	Alarm siren	Alarm siren and tilt sensor; source notes variant 07/08 alarm siren configuration.	Safety & Driver Assistance
555	Seat belts	Seat belts in black.	Safety & Driver Assistance
560	Airbags	Advanced airbag system.	Safety & Driver Assistance
605	Daytime running lights	LED daytime running lights.	Safety & Driver Assistance
457	Lane change assist	Lane change assist system.	Safety & Driver Assistance
Comfort & Interior			
257	Exterior mirrors	Manually folding exterior mirrors with auto-dimming and memory.	Comfort & Interior
171	Acoustic package	Acoustic insulation package for the North American market.	Comfort & Interior

CODE	TITLE	DESCRIPTION	CATEGORY
276	Interior rear-view mirror	Auto-dimming interior rear-view mirror.	Comfort & Interior
541	Seat ventilation	Active seat ventilation including seat heating.	Comfort & Interior
858	Steering wheel	GT sport steering wheel in leather.	Comfort & Interior
648	Steering column	Electrically adjustable steering column for length and height, without ELV.	Comfort & Interior
583	Smoker package	Smoker's package.	Comfort & Interior
022	Instrument cluster dials	Instrument cluster dial faces in black.	Comfort & Interior
025	Stopwatch dial	Stopwatch dial face in black.	Comfort & Interior
323	Left front seat	Left Sport Seat Plus, electrically adjustable, 18-way.	Comfort & Interior
324	Right front seat	Right Sport Seat Plus, electrically adjustable, 18-way.	Comfort & Interior
489	Multifunction steering wheel	Multifunction controls with steering wheel heating.	Comfort & Interior
537	Seat position control	Seat position control for left comfort seat.	Comfort & Interior
573	Air conditioning	Air conditioning system.	Comfort & Interior
581	Centre console	Front centre console specification.	Comfort & Interior
607	Garage door opener	HomeLink garage door opener, 315 MHz.	Comfort & Interior

CODE	TITLE	DESCRIPTION	CATEGORY
621	12V socket	12V socket in the passenger footwell.	Comfort & Interior
625	Entry and drive	Porsche Entry & Drive (KESSY).	Comfort & Interior
630	Interior lighting package	Interior lighting package.	Comfort & Interior
685	Rear seats	Rear seats fitted.	Comfort & Interior
810	Floor mats	Floor mats.	Comfort & Interior
936	Rear seat upholstery	Rear seat upholstery in leather.	Comfort & Interior
981	Leather interior	Leather finish, excluding seat upholstery.	Comfort & Interior
983	Front seat upholstery	Front seat upholstery in leather.	Comfort & Interior
991	Airbag module trim	Airbag module trimmed in leather.	Comfort & Interior
998	Natural leather	Natural leather trim.	Comfort & Interior
XHB	Centre console lid	Centre console lid in leather.	Comfort & Interior
XNS	Steering column trim	4-piece leather steering column trim.	Comfort & Interior
XVP	Interior trim strip	Trim strip including cupholder cover in leather.	Comfort & Interior
XWK	Seat backrests	Sport Seat Plus backrests in leather.	Comfort & Interior

CODE	TITLE	DESCRIPTION	CATEGORY
342	Seat heating	Seat heating for left and right front seats.	Comfort & Interior
XWA	Door and side trim panels	Decorative strip on door panel in leather.	Comfort & Interior
Infotainment & Connectivity			
UI2	External device interface	Two USB/iPod ports.	Infotainment & Connectivity
7G9	Vehicle tracking preparation	Factory preparation for VTS and Porsche Car Connect (PCC).	Infotainment & Connectivity
GB2	Antenna amplifier	Compensor NAR antenna amplifier.	Infotainment & Connectivity
9VJ	Sound system	Top premium sound system.	Infotainment & Connectivity
7UG	Navigation system	High-level navigation system.	Infotainment & Connectivity
I8L	Radio	Premium radio, generation 2.	Infotainment & Connectivity
QU8	Satellite radio	Satellite radio reception for the US market.	Infotainment & Connectivity
9ZC	Telephone module	Telephone module with coupling box.	Infotainment & Connectivity
Exterior & Design			
263	Left exterior mirror glass	Flat left exterior mirror glass.	Exterior & Design
284	Right exterior mirror glass	Convex right exterior mirror glass.	Exterior & Design
XEY	Main headlamps	LED main headlamps with dynamic cornering light.	Exterior & Design

CODE	TITLE	DESCRIPTION	CATEGORY
218	Number plate holder	Type 4 number plate holder version.	Exterior & Design
426	Rear wiper delete	Without rear window wiper.	Exterior & Design
434	Factory code 434	Factory or market code listed without description.	Exterior & Design
446	Wheel centre caps	Concave wheel centre caps with coloured crest.	Exterior & Design
529	Exterior mirrors	Sport Design exterior mirrors.	Exterior & Design
567	Windscreen tint	Strongly tinted upper windscreen strip.	Exterior & Design
912	Model badge delete	Without type designation badge.	Exterior & Design
XAJ	Door sill guards	Painted door sill guards.	Exterior & Design
XAT	Sport Design Package	Sport Design Package.	Exterior & Design
XES	Illuminated door sill preparation	Preparation for illuminated door sill guards.	Exterior & Design
XLT	Sport tailpipes	Sport tailpipes, type 997.	Exterior & Design
XYB	Fuel filler cap	Fuel filler cap in aluminium-look finish.	Exterior & Design
XXP	Rear combination lamps	Tinted rear lights.	Exterior & Design
497	Model designation delete	Model designation and Porsche script omitted.	Exterior & Design
