

# Volkswagen Tiguan. Your car, decoded. WVGZZZ5NZNW031XXX

A Tiguan configured the way many real buyers want one: useful drivetrain, winter-ready comfort, practical towing hardware and modern driver-assistance where it actually makes a difference.

## Modern family drivetrain

1.5TSI power with 7-speed automatic ease and the calm, usable feel that suits this class.

## Cold-climate spec

Winter package, parking heater and Swedish-market details make this car feel ownership-ready.

## Exact spec

Premium front section up front, full code appendix and brand-safe legal wording at the back.

VIN <b>WVGZZZ5NZNW031XXX</b>	MODEL <b>Tiguan 1,5 TIG</b>	YEAR <b>2022</b>	PRODUCTION <b>14.02.2022</b>

## TOP 10

# The 10 most interesting things about this specific Tiguan

Selected because they add the most real-world value, character or usability to this exact configuration.

**DS9 / TJ7 / G1C**

## Modern 1.5 TSI with 7-speed automatic

The 150hp 1.5TSI paired with a 7-speed automatic gives this Tiguan exactly the kind of calm, flexible powertrain buyers expect in a

**8T8 / 6K4 / 611**

## Strong core assistance package

Adaptive cruise control, forward collision braking and lane keeping deliver the driver-assistance features that actually improve daily use. It matters because they make long trips and heavy traffic noticeably easier.

modern family SUV. It matters because this is the heart of the car's everyday quality.

**KA2 / 7X2 / QK1**

### **Camera and parking support that adds real value**

A rear-view camera, front and rear park distance control and multifunction camera support make this Tiguan much easier to place and park. That matters because family SUVs benefit massively from visibility tech.

**KH7 / WW1 / 9M9**

### **Cold-climate comfort specification**

Three-zone climate control, a winter package and a parking heater with remote control make this a genuinely strong northern-Europe spec. It matters because the car feels more complete in real-world ownership, not just in a brochure.

**8IR / 8SK / 9I5**

### **LED lighting where you notice it**

LED headlamps, LED rear lights and automatic daytime light logic give the Tiguan a more premium presence and better daily usability. It matters because lighting quality affects both design feel and confidence.

**Q2J / 4A3 / 7P4**

### **Comfort-focused cabin setup**

Comfort front seats, heated front seats and lumbar support build a cabin that is clearly aimed at relaxed daily driving. It matters because seat quality is one of the biggest long-term ownership wins.

**PJQ / C1K / J94**

### **18-inch wheel and tire package**

The 18-inch Frankfurt wheel setup with AirStop tires gives this Tiguan a stronger visual stance without pushing it into an overly harsh spec. It matters because this is a smart balance between look and usability.

**9WJ / 9ZX / RBB**

### **Connected media package**

Wired and wireless App-Connect, mobile phone interface and the Ready 2 Discover system give this car a current, sellable infotainment story. It matters because tech age is one of the first things buyers judge.

**1M6**

### **Factory-style swiveling tow hitch**

A mechanically swiveling, electrically released tow hitch is a practical premium feature that many buyers actively want. It matters because it adds genuine utility without looking like an afterthought.

**WHA / W45 / YOS**

### **Well-rounded Scandinavian market spec**

Sweden-specific packaging, parking heater/ventilation and We Connect preparation make this feel like a carefully chosen northern-market car rather than a stripped generic import. It matters because the spec looks intentional and ownership-ready.

**Why this spec works:** it is a pragmatic Tiguan, but not a bare one. The drivetrain, safety tech, winter equipment and towing practicality come together to make it feel properly chosen rather than merely ordered.

# All codes

## Performance & Running Gear

This Tiguan is built around a sensible but genuinely desirable drivetrain recipe: modern 1.5TSI power, automatic convenience and the chassis hardware to keep the car feeling stable and easy.

**Standout combination:** the 1.5TSI / 7-speed automatic drivetrain, adaptive cruise control, forward collision braking, rear camera, winter package, parking heater and swiveling tow hitch create a Tiguan that is much more ownership-friendly than the average generic family SUV.

## Advice for this exact configuration

### **TSI service discipline**

The 1.5 TSI is most rewarding when it gets correct oil, good fuel and timely maintenance. Smooth modern drivetrains stay smooth because they are serviced before they start feeling rough.

### **DSG behavior**

A 7-speed automatic should shift cleanly and predictably. Any hesitation, clutch shudder or awkward low-speed response deserves attention early, because drivability is a major part of this car's appeal.

### **Heating and winter systems**

This car has meaningful cold-weather equipment, so it is worth checking that the parking heater, heated washer nozzles and climate functions all work exactly as they should. When they do, the ownership experience becomes much better.

### **Tires, alignment and braking**

On a family SUV, quiet confidence comes from the basics being right. Fresh tires, proper alignment and healthy brakes make more difference to the way the Tiguan feels than many people expect.

### **Tech and camera systems**

Modern convenience features only add value when they work without drama. Test the camera, park sensors, cruise control, App-Connect and display functions thoroughly before treating the spec as a selling point.

**Vehicle view:** this is a right-hand-drive Swedish-market Tiguan 1.5 TSI with automatic transmission, front-wheel drive, heated front seats, 3-zone climate control, adaptive cruise control, parking heater, rear camera and a factory-style swiveling tow hitch – a very usable real-world configuration.
