

# Kia Ceed. Your car, decoded. U5YH2515ANL146XXX

A Cassa White European-market Kia Ceed-family specification with a 1.5-litre T-GDI petrol engine, 6-speed manual transmission, LED lighting, modern safety assistance and a practical high-grade hatchback configuration.

#### Efficient 1.5T-GDI character

Turbocharged petrol performance with manual control and a balanced 2WD chassis setup.

#### Modern daily technology

Navigation, Bluetooth, wireless charging and camera support make the car easier to use every day.

VIN U5YH2515ANL146XXX	MODEL Kia Ceed / Xceed / ProCeed 21	MODEL YEAR 2021	PRODUCTION DATE 13 October 2021
SALES TYPE SEURPJ721/ J7S6K8G17	ENGINE CODE G4LHMZ084298 / 1.5T-GDI Kappa PE	TRANSMISSION CODE WMJ6 C626300 / 6-speed manual 2WD	AXLE DRIVE CHARACTERISTIC Left-hand drive / 2WD
EQUIPMENT High grade / facelift model	ROOF COLOUR Not separately specified	EXTERIOR PAINT / CODE Cassa White [WD]	MARKET Czech Republic / Europe
STEERING Left-hand drive			

# THE 10 MOST INTERESTING THINGS ABOUT THIS SPECIFIC KIA

These are the features that most strongly define the car's usability, technology, safety value and everyday appeal.

961NT6

## 10.25-inch navigation and digital media hub

The 10.25-inch navigation unit with radio, media, RDS, DAB and traffic services gives this Ceed-family car a modern everyday interface. It is one of the features that makes the cabin feel current rather than basic.

9212C1

## LED low-beam headlamps

LED low-beam lighting improves the vehicle's night-time character and adds a crisp, modern front-end appearance. For resale, lighting specification is always a visible value point.

94XFA1

## LED headlamp specification

The LED headlamp package supports a cleaner, more premium visual identity and pairs well with dedicated LED daytime running lights. It gives the car a stronger road presence than a halogen-only setup.

956MA1

## Rear-view camera support

The rear camera adds practical confidence in tight spaces and makes daily parking easier. It is especially useful on a five-door hatchback used in city and family situations.

956QA1

## Rear ultrasonic parking assistance

Rear ultrasonic sensors provide an additional layer of distance awareness behind the car. Together with the camera, they form a useful parking package for daily use.

959EA1

## Lane Following Assist

Lane Following Assist adds a modern driver-support layer that helps the car feel more relaxed on longer roads. It is a strong feature for a compact family car in this segment.

9401D5

## Supervision cluster with 4.2-inch TFT display

The Supervision instrument cluster with a 4.2-inch TFT information display improves clarity and perceived quality. It gives key driving data a cleaner, more premium presentation.

9556A1

## Front wireless charging

Wireless charging in the front tray is a small but valuable convenience feature. It helps keep the cabin cleaner and supports modern smartphone use without cable clutter.

9721F1

## Fully automatic climate control

The electronic fully automatic climate control system gives the cabin a more premium daily feel. It is supported by auto defogging and a dual full-auto air-conditioning setup.

8838A1

## Heated front seat comfort

Heated seats add real comfort in colder climates and strengthen the vehicle's practical European specification. They are simple, desirable and easy for buyers to understand.

Standout combination: Cassa White paint, 1.5T-GDI petrol power, 6-speed manual transmission, LED lighting, rear camera, rear parking sensors, Lane Following Assist, wireless charging and 10.25-inch navigation create a practical European Kia with strong daily usability.

# KEY SPECIFICATION BY CATEGORY

The strongest parts of this configuration come from how its efficient running gear, safety systems, cabin comfort and connected technology work together.

## Comfort & Interior

The cabin specification focuses on practical everyday comfort: heated seating, leather-touch controls, cloth trim, useful storage and convenience details that make the vehicle easy to live with.

5896A1 +63 more

## Safety & Driver Assistance

The safety package includes stability systems, airbags, braking support, lane assistance, camera support and parking aids that improve confidence in normal use.

561BA1 5811A5 5972A2 956MA1 956QA1  
959EA1 5412A2 5512A2 5631A4 5693A1  
569BE1 569CA1 569MA1 569PA1 5812A7  
5891A2 +21 more

Standout combination: LED headlamps, 10.25-inch navigation, rear camera, rear ultrasonic assistance, heated seats, privacy glass, Euro 6d compliance and a high-grade European market setup give this Kia a broad, buyer-friendly specification.

# ADVICE FOR THIS EXACT CONFIGURATION

The value in this car sits in its balanced petrol/manual drivetrain, useful safety electronics and practical European equipment level, so verification should focus on function, condition and service discipline.

## Service the turbo petrol drivetrain correctly

The 1.5T-GDI engine benefits from correct oil quality, regular servicing and sensible warm-up habits. Smooth idle, clean acceleration and no warning lights are important checks.

## Manual transmission feel matters

The 6-speed manual should shift cleanly, with consistent clutch engagement and no bearing noise. Any stiffness or slipping can quickly affect ownership satisfaction.

## Verify camera, sensors and assistance systems

The rear camera, rear ultrasonic sensors, Lane Following Assist and high-beam support are valuable daily features. Clear images, accurate alerts and no dashboard faults are worth confirming.

## Check LED lighting and visibility equipment

LED headlamps and automatic lighting add real value, but repairs can be more expensive than basic halogen systems. Inspect lens condition, beam operation and warning messages.

## Interior wear should match the mileage

Cloth trim, heated seats, leather-touch controls and storage areas should feel consistent and intact. A clean cabin strongly supports the premium impression of this specification.

## European market configuration is export-friendly

Left-hand drive, Czech-market coding, Euro 6d emissions and kilometre-based instrumentation make the car easy to understand across many European markets.

Ownership focus: this is a European left-hand-drive Kia Ceed-family build with Cassa White paint, black interior, 1.5-litre petrol power, 6-speed manual transmission, LED lighting, heated comfort features and useful driver-assistance technology.

# ALL CODES AND DESCRIPTIONS
