TOP 10

The 10 most interesting things about this specific G 63

These are the features that most strongly define the vehicle's performance, presence, cabin quality and daily usability.

M177 / M40 / MC1

4.0-liter AMG V8 character

The M177 4.0-liter V8 is the emotional heart of this G 63, bringing the unmistakable AMG punch that makes the car feel far more special than a normal luxury SUV. It matters because the

G44 / GA

AMG SPEEDSHIFT PLUS 9G-TRONIC

The 9-speed AMG automatic gives the G 63 the broad spread of ratios it needs for effortless speed, daily smoothness and heavy-duty cruising. It matters because this powertrain must feel strong without becoming tiring.

engine defines both the performance and the personality.

A20 / BS2 / U78

AMG chassis, brakes and exhaust drama

Adjustable damping, red AMG brake calipers and a switchable exhaust system give this car the hardware and theatre expected from a true AMG. It matters because the G 63 is bought as much for sensation as for specification.

EM4 / EZ9 / A53 / EA2

Driver Assistance Package Plus

DISTRONIC, Active Lane Keeping Assist, Blind Spot Assist and the wider driver-assistance package make this large performance SUV easier to trust on long journeys. It matters because the G-Class is powerful, tall and valuable.

JS1 / EZ8 / PA8

360-degree camera and parking confidence

Surround View, PARKTRONIC and the Parking Package help manage the size and shape of the G 63 in tight spaces. It matters because visibility technology adds real daily value in a car this substantial.

EU8 / EU4 / J25

High-end digital and audio experience

COMAND Online, the fully digital display and Burmester 3D Surround Sound create a cabin that feels properly premium and current. It matters because luxury off-road presence needs a matching interior experience.

800A / 801A / SR2 / PA9

Exclusive black leather interior

Black nappa / semi-aniline leather, Exclusive Interior Plus and Seat Comfort Package Plus give the cabin a serious luxury feel. It matters because this is where the G 63 moves from rugged icon to high-end ownership object.

056U / W13 / Y75 / ZY6

Night Black Magno MANUFAKTUR presence

Night Black Magno special paint gives the body a deep, stealthy visual identity that suits the G 63's square form perfectly. It matters because the finish makes the vehicle feel bespoke rather than ordinary.

RG1 / P40 / RB9 / T84

Iconic AMG exterior stance

20-inch AMG bicolor wheels, widened arches, stainless-steel spare wheel cover and side running boards give the car its unmistakable G-Class posture. It matters because presence is one of this vehicle's core values.

26U / 01U / 08U / 09U

Connected Mercedes-Benz services

Remote engine start, navigation services, vehicle setup and monitoring bring a modern connected layer to a very traditional off-road silhouette. It matters because convenience tech makes the G 63 easier to live with every day.

Why this G 63 stands out: the Night Black Magno finish, AMG V8 power, red AMG brakes, 20-inch wheels, exclusive black leather interior and strong assistance package create a deeply specified performance icon.

Standout combination: M177 V8 power, AMG SPEEDSHIFT PLUS 9G-TRONIC, adjustable damping, red AMG brakes, Burmester 3D audio, Exclusive Interior Plus, 360-degree camera and Night Black Magno paint create a G 63 with the right mix of drama and substance.

Advice for this exact configuration

The strongest value sits in the AMG powertrain, matte-style paint finish, premium cabin and electronic assistance systems, so condition matters just as much as specification.

AMG V8 maintenance deserves discipline

The M177 V8 rewards proper oil quality, careful warm-up habits and timely servicing. A car this powerful stays impressive longest when maintenance is treated as part of the performance package.

Transmission and driveline smoothness matter

The 9G-TRONIC should feel confident, clean and composed under both gentle and hard acceleration. Harsh shifts, vibration or driveline noise deserve early attention.

Check every assistance and camera function

The 360-degree camera, PARKTRONIC, DISTRONIC and lane systems add major daily value on a G 63. Clean camera images, accurate sensors and no warning messages are worth verifying carefully.

Interior condition protects the premium feel

Black semi-aniline / nappa leather, Exclusive Interior Plus trim and comfort seating are central to the car's value. Wear, trim damage or non-working comfort functions quickly reduce the luxury impression.

Paint and exterior details deserve careful care

Night Black Magno and AMG exterior trim create a dramatic look, but matte-style finishes require more careful maintenance than regular gloss paint. Correct washing and detailing habits matter.

Ownership focus: this is a Japan-market Mercedes-AMG G 63 with right-hand drive, Night Black Magno paint, black leather interior, M177 V8 power, AMG 9G-TRONIC, Burmester 3D sound, driver assistance and surround-view camera support.
