

Ford Focus. Your car, decoded. WF0NXXGCHNPD7XXXX

A 2023 Focus in Agate Black Metallic with mild-hybrid petrol efficiency, manual driver involvement, strong assistance technology and the everyday comfort that makes a compact Ford easy to recommend.

MHEV efficiency

1.0L Fox E mild-hybrid petrol power supports economical daily driving.

Smart daily tech

SYNC IV, navigation, parking support, lane assistance and camera hardware add real usability.

Exact configuration

NL territory, Agate Black Metallic paint and a full coded view of this specific Focus.

TOP 10

The 10 most interesting things about this specific Focus

These are the features that most strongly define the vehicle's efficiency, safety, comfort and everyday value.

1.0L FOX E / MHEV

Mild-hybrid petrol efficiency with everyday usability

The 1.0L Fox E mild-hybrid setup gives this Focus a modern efficiency-focused character without losing the simplicity of petrol driving. It

6MX65 / 6-SPEED MANUAL

Manual gearbox with driver involvement

The 6-speed Getrag manual keeps the car more engaging than many automatic-only compact hatchbacks. The Focus feels at its best when the driver still feels connected to the road.

suits daily commuting, mixed use and lower running-cost expectations.

SYNC IV / NAVIGATION

Modern infotainment backbone

SYNC IV, navigation, a high TFT display and smartphone interface give the cabin a current digital feel. This is one of the strongest value points in a recent Focus.

AUTOMATED PARKING / FRONT & REAR PARKING AID

Parking support on both ends

Automated parking, front parking aid, rear parking aid and a rear-view camera make the car much easier to place in tight urban spaces. Daily-driver stress drops immediately.

LANE KEEPING / WRONG WAY ALERT / ISA

Smart driver-assistance layer

Lane Keeping Aid, Wrong Way Alert and Intelligent Speed Assistance give this Focus a modern safety profile. These systems add confidence without changing the practical character of the car.

COLLISION MITIGATION / ABS-ESP

Core safety systems with real value

Collision mitigation, ABS/ESP and the electric brake booster form the safety backbone of this specification. Active safety is one of the biggest real-world upgrades over older compact cars.

HEATED WINDSCREEN / HEATED STEERING WHEEL / HEATED SEATS

Cold-weather comfort package

The heated windscreen, heated steering wheel and heated front seats make this Focus feel much more premium in winter use. Owners appreciate these features every cold morning.

LED LIGHTING PACKAGE

LED headlamps and rear lamps

Fixed DSS LED headlamps, LED rear lamps and LED adaptive cornering fog lamps give the car a sharper, more modern presence. Good lighting improves both confidence and perceived quality.

AGATE BLACK METALLIC

Strong exterior identity

Agate Black Metallic gives the Focus a clean, mature and sporty look. It works especially well with the grille, privacy glass and black detailing.

TOWING PRE-PACK / PRACTICAL STORAGE

Useful practical equipment

Towing pre-pack, load area cover, stowage details and a mini spare wheel add practical ownership value. These are not flashy features, but they make the car easier to live with.

Why this Focus stands out: the mild-hybrid drivetrain, 6-speed manual gearbox, SYNC IV infotainment, parking technology, winter comfort and Agate Black Metallic appearance make it a particularly usable modern compact car.

CATEGORY OVERVIEW

Key specification by category

The strongest parts of this Focus come from how its efficient drivetrain, driver-assistance features and practical comfort equipment work together.

Performance & Running Gear

This Focus is built around a practical modern drivetrain: mild-hybrid petrol support, a 6-speed manual gearbox, front-wheel drive and efficiency-focused rolling hardware.

Adjustable Foot Pedals

Standout combination: 1.0L mild-hybrid petrol power, 6-speed manual transmission, automated parking, rear camera, front and rear parking aids, SYNC IV, navigation, heated comfort features and LED lighting create a very complete compact Ford.

Advice for this exact configuration

The strongest value sits in the mild-hybrid system, manual gearbox feel, sensor technology and everyday comfort equipment, so condition matters just as much as the option list.

MHEV system health matters

The mild-hybrid system should feel seamless during start/stop and low-load driving. Any battery, charging or warning-light issue deserves attention early.

Manual gearbox feel should be clean

The 6-speed manual should shift smoothly and engage confidently. Clutch slip, notchiness or driveline vibration should be checked before they become expensive.

Keep the EcoBoost service routine disciplined

Small turbo petrol engines reward correct oil, timely servicing and careful warm-up habits. Good maintenance keeps the engine responsive and economical.

Test every assistance feature

Parking aids, rear camera, lane support, Wrong Way Alert, ISA and collision mitigation all add real value when they work properly. Sensor or camera faults quickly reduce the premium feel.

Cold-weather features deserve checking

Heated windscreen, heated seats, heated steering wheel and climate control are major comfort wins. Make sure each system works evenly and quickly.

Ownership focus: this is a left-hand-drive 2023 Ford Focus with 1.0L MHEV petrol power, 6-speed manual transmission, Agate Black Metallic paint, SYNC IV, navigation, automated parking, rear camera and cold-weather comfort features.

All codes and descriptions

Every coded entry that defines this Focus is listed here, including standard, omitted, market-specific and factory-specific items that shape the exact build.

CODE / FEATURE	DESCRIPTION	CATEGORY
PERFORMANCE & RUNNING GEAR		
Adjustable Foot Pedals	Fixed foot pedals	Performance & Running Gear
Anti-Lock Brakes	ABS/ESP with electric brake booster	Performance & Running Gear
Brake Calipers And Pads	Standard-duty front/rear calipers and pads	Performance & Running Gear
Components Unique For Wheels	Components unique for alloy wheels	Performance & Running Gear
Drivers Air Bag	Driver airbag	Performance & Running Gear
Drivers Recliner Seat	Driver seat rotary recliner	Performance & Running Gear
Drivers Seat Adjustment Type	Driver 4-way manual seat adjuster	Performance & Running Gear
Driver Seat Back Map Pocket	Driver seat-back map pocket	Performance & Running Gear
Foot Pedal Design	Standard foot pedal pad design	Performance & Running Gear
Front Seat Belt Mounting	Manual adjustable front seat-belt mount	Performance & Running Gear
Front Spring Load Class	Front spring load class H	Performance & Running Gear
Front Towing Hooks	Front towing hook	Performance & Running Gear
Fuel Capability Type	Gas/electric hybrid	Performance & Running Gear
Fuel Tank Lock	Non-locking capless fuel fill	Performance & Running Gear
Heated Steering Wheels	Heated steering wheel	Performance & Running Gear
Interior Cab Assist Handle	Driver rear coat hook	Performance & Running Gear
Liftgate	Manual liftgate	Performance & Running Gear
Lumbar Seat Support Driver Seat	Driver manual lumbar support	Performance & Running Gear
Parking Brake - Function Type	Electric parking brake	Performance & Running Gear
Passenger Seat Adjustment Type	Manual 2-way passenger seat adjustment with height increase	Performance & Running Gear
Rear Spring Load Class	Rear spring load class G	Performance & Running Gear
Rear Suspension Types	Rear suspension - Level 1	Performance & Running Gear
Rear Towing Hooks	Rear towing hooks	Performance & Running Gear
Seat Belt Warning Type	Belt Minder driver/passenger/2nd row EU T&S	Performance & Running Gear
