

Opel Corsa.

Your car, decoded.

VXKUPHNSSL446XXXX

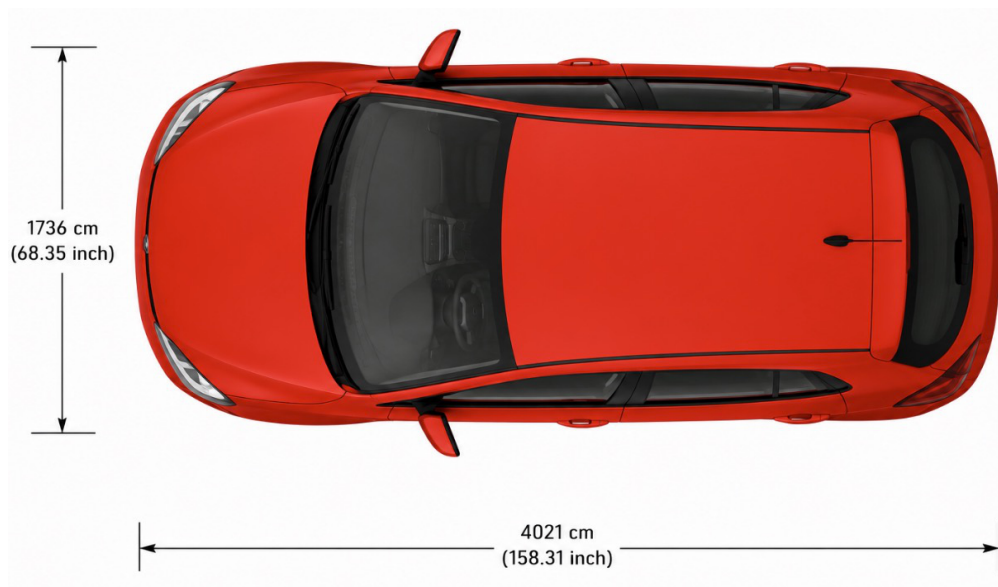

A Peperoncino Red, Belgium-market Opel Corsa five-door hatchback with a 96 kW turbo petrol engine, 8-speed automatic transmission, LED lighting, digital cockpit technology and a strong driver-assistance package.

Sporty compact specification

Turbo petrol performance, 17-inch polished black alloy wheels and a confident five-door hatchback profile.

Premium daily technology

Navigation, DAB, MirrorLink, keyless access, wireless charging and camera-assisted parking support.

STEERING Left-hand drive			

THE 10 MOST INTERESTING THINGS ABOUT THIS SPECIFIC OPEL

These are the features that most strongly define the vehicle's performance character, comfort value, technology depth and everyday usability.

01

Peperoncino Red metallic exterior

The metallic Peperoncino Red finish gives this Corsa a lively, more expressive look than a neutral city-car configuration. Paired with gloss-black detailing and polished black 17-inch alloy wheels, the specification has real showroom presence.

03

8-speed automatic transmission

The ATN8 / ATNG8 automatic transmission gives the car a more refined and relaxed character than a manual city hatchback. It supports easy urban driving while still fitting the premium equipment level.

05

Digital cockpit and HD centre display

A high digital instrument display and DGT10CHD display give the cabin a more contemporary feel. The setup supports the car's navigation, media and driver-information functions.

02

96 kW turbo petrol engine

The 1.2-litre EB2ADTS turbo petrol engine is coded at 96 kW and 230 Nm, giving this Corsa a strong balance of response and everyday efficiency. It is the key performance item in this build.

04

LED Eco headlights and LED fog lamps

LED Eco headlamps, dedicated front DRL and LED front fog lamps create a modern lighting signature. The automatic lighting function and rain-sensing wipers add extra daily convenience.

06

Navigation, DAB and MirrorLink

The interactive audio/navigation system includes a colour navigation screen, DAB antenna setup, Western Europe radio frequency coding and MirrorLink. This makes the vehicle more attractive as a connected daily driver.

07

Keyless access and push-button start

Hands-free access for the front doors and luggage area, combined with keyless start, gives this compact hatchback a more premium ownership feel. The chrome-ringed start button reinforces that modern cabin character.

09

Rear panoramic camera system

The rear Visio Park 1 panoramic camera adds real manoeuvring confidence. It is a valuable feature on a city-focused hatchback where tight streets and parking spaces are part of normal use.

08

Active safety and driver assistance

Active blind-spot monitoring, speed-limit recognition, front/rear parking assistance, Flank Guard side detection and automatic emergency braking with camera give the car a strong assistance profile. These features are highly relevant in daily traffic and urban parking.

10

Fixed glass roof and multifunction roof

The fixed roof glass and multifunction roof coding lift the interior ambience beyond a basic Corsa specification. Together with tinted glass, it gives the cabin a brighter and more premium feel.

Standout combination: Peperoncino Red metallic paint, 96 kW turbo petrol power, 8-speed automatic transmission, fixed glass roof, 17-inch polished black alloy wheels, LED lighting, navigation, keyless start, wireless charging and a generous driver-assistance package create a very appealing Western European Opel Corsa configuration.

KEY SPECIFICATION BY CATEGORY

The strongest parts of this configuration come from the way its compact performance hardware, premium cabin equipment, lighting, safety systems and connected technology work together.

Comfort & Interior

The cabin specification is focused on daily comfort, neat trim execution and a more premium feel than a basic compact hatchback, with automatic climate control, split-leather steering wheel, cloth trim and practical seating details.

ADML antenna configuration Additional storage
Air-conditioning / temperature control
Air-conditioning lines Air conditioning

ADVICE FOR THIS EXACT CONFIGURATION

The value in this Corsa sits in its turbo petrol drivetrain, automatic transmission, electronics and assistance systems, so inspection should focus on service history, smooth operation and fault-free equipment behaviour.

Turbo petrol maintenance focus

This 1.2-litre turbo petrol configuration should be maintained carefully with correct oil quality, timely service intervals and attention to cooling and intake components. Consistent maintenance is important for long-term refinement and resale confidence.

Electronics are a key value area

Navigation, DAB, MirrorLink, wireless charging, keyless access, the HD display and telematics unit all add value. A proper inspection should confirm screen response, pairing, charging and keyless operation.

17-inch wheel and tyre package

The Michelin 205/45R17 tyre setup and polished black 17-inch alloy wheels look strong, but kerb damage, tyre wear and alignment should be checked. Compact cars with low-profile tyres can show urban wear clearly.

Automatic gearbox behaviour

The 8-speed automatic is a major comfort benefit, but test drives should confirm smooth take-off, clean upshifts and no hesitation when selecting drive or reverse. Software updates and service history are worth checking.

Parking and assistance sensors should be fault-free

Blind-spot monitoring, camera-based emergency braking, speed-limit recognition, Flank Guard and front/rear parking assistance depend on clean sensors and correct calibration. Any warning lights or sensor faults reduce the premium feel.

Export and market considerations

This is a Belgium / Western Europe left-hand-drive specification with Euro 6.3 emissions coding and km/h speedometer scaling. That makes it broadly suitable for mainland European use, subject to local registration requirements.

Ownership focus: this is a Belgium-market Opel Corsa in Peperoncino Red metallic with left-hand drive, 96 kW turbo petrol power, automatic transmission, LED lighting, digital cabin technology and a strong parking / assistance specification.

ALL CODES AND DESCRIPTIONS

Every coded entry that defines this Opel is listed here, including standard, market-specific, factory differentiation, documentation, regional, absence-of-option and practical equipment entries.

CODE / ENTRY	DESCRIPTION	CATEGORY
COMFORT & INTERIOR		
ADML antenna configuration	Specification: adml antenna configuration (ANTENNE, ADML, STD, BUMPER, LNG, DASHBOARD).	Comfort & Interior
Additional storage	Without additional storage compartments	Comfort & Interior
Air-conditioning / temperature control	Automatic climate control with central regulation	Comfort & Interior
Air-conditioning lines	Standard air-conditioning lines	Comfort & Interior
Airconditioning	Automatic air conditioning	Comfort & Interior
Comfort grab handles	Front and rear folding grab handles	Comfort & Interior
Console	Lower console	Comfort & Interior
Crankcase-ventilation heating circuit	Without crankcase-ventilation heating	Comfort & Interior
Dashboard equipment	Dashboard finish with Palladium panel	Comfort & Interior
Driver-seat adjustment	Manual driver-seat adjustment	Comfort & Interior
Driver-seat cushion adjustment	Without driver-seat front cushion adjustment	Comfort & Interior
Floor-mat appearance	Without floor mats	Comfort & Interior
Front-seat armrest	Front centre armrest	Comfort & Interior
Heating duct	Front and rear heating duct	Comfort & Interior
Driver-seat height adjustment	Driver-seat height adjustment	Comfort & Interior
Passenger-seat height adjustment	Without front passenger-seat height adjustment	Comfort & Interior
Interior alarm	Without interior alarm	Comfort & Interior
Interior pre-heating	Without interior pre-heating	Comfort & Interior
Interior trim components	Mistral roof interior trim	Comfort & Interior
Load-compartment storage	Load-compartment side-trim strap	Comfort & Interior
Pedal support type	Aluminium pedal support	Comfort & Interior
Pollen filter	Pollen filter with active-carbon filtration	Comfort & Interior
Rear headrest installation	Version 3 rear headrest installation	Comfort & Interior

CODE / ENTRY	DESCRIPTION	CATEGORY
Rear seat	One-piece fixed rear bench with 2/3-1/3 split-folding backrest	Comfort & Interior
Row-1interior dome lamp	Row-1dome lamp with three LEDs	Comfort & Interior
Seat-heating element	Seats not heated	Comfort & Interior
Upholstery colour	Specification: upholstery colour (FX).	Comfort & Interior
Ventilation / heating / air conditioning	With heater matrix, without recirculation	Comfort & Interior
EXTERIOR & DESIGN		
Exterior mirror colour continuation	Fully colour-finished exterior mirror base	Exterior & Design
Sliding / tilt roof sunshade control	Without sliding / tilt roof sunshade control	Exterior & Design
Body colour	Peperoncino Red body paint	Exterior & Design

Additional mirror function	Electrically folding exterior mirrors with diode indicator	Factory, Market & Misc.
Additional vacuum system	Without additional vacuum system	Factory, Market & Misc.
Anti-theft alarm	Without alarm	Factory, Market & Misc.
Anti-theft wheel bolts	Without anti-theft wheel bolts	Factory, Market & Misc.
Base architecture	Specification: base architecture (B0).	Factory, Market & Misc.
Body systems interface	Specification: body systems interface (BSI, COM).	Factory, Market & Misc.
Brand	Opel	Factory, Market & Misc.
Change period	Third period 2018/ before third period 2020	Factory, Market & Misc.
City Park	Without City Park	Factory, Market & Misc.
Climate / ambient temperature setup	Cold-country specification	Factory, Market & Misc.
Cockpit side	Left-hand-drive cockpit layout	Factory, Market & Misc.
Commercial brand/type component	Opel	Factory, Market & Misc.
Condenser specification	20 dm ² condenser, 12mm thickness, class 2	Factory, Market & Misc.
Controlled air-intake module	Controlled air-intake module with dual cassette	Factory, Market & Misc.
Cooling fan	140W two-speed fan, short aerodynamic tube	Factory, Market & Misc.
Crash protocol	Required European crash protocol	Factory, Market & Misc.
Cruise control	Cruise control and speed limiter	Factory, Market & Misc.
DAM	Specification: dam.	Factory, Market & Misc.
Driver-side mirror field of view	Standard exterior mirror field of view	Factory, Market & Misc.
Driving programme	Standard road-use programme	Factory, Market & Misc.
Electric power steering	90-amp electric power steering	Factory, Market & Misc.
Electrical protection/control unit	Without electrical supply protection and control unit	Factory, Market & Misc.
Enhanced sound insulation	With enhanced sound insulation	Factory, Market & Misc.
Equipment package	Without additional equipment package	Factory, Market & Misc.

CODE / ENTRY	DESCRIPTION	CATEGORY
Factory code	Specification: factory code (VB).	Factory, Market & Misc.
Final-drive ratio	16x 57 final drive ratio	Factory, Market & Misc.
Front closing plate	Without front cover	Factory, Market & Misc.
Front panel	Forward-positioned plastic front panel	Factory, Market & Misc.
Front stabiliser system	21.5mm hollow front stabiliser bar	Factory, Market & Misc.
Fuel / injection supply	Direct-injection turbo with heat exchanger	Factory, Market & Misc.
Future version coding	Original range coding	Factory, Market & Misc.
General Safety Regulation specification	Without GSR package	Factory, Market & Misc.
Horn type	Low-tone single-note electro-mechanical horn	Factory, Market & Misc.
Increased rear track width	RA61 rear-track specification	Factory, Market & Misc.
Instrument panel technical base	7-inch TFT instrument cluster	Factory, Market & Misc.
Manufacturer plate	EU + NRE manufacturer plate	Factory, Market & Misc.
Mode 3 wallbox	Without wallbox connection	Factory, Market & Misc.
Model	Corsa (P2JO)	Factory, Market & Misc.
Model year	Specification: model year (HOOFDINDEX).	Factory, Market & Misc.
Model-year change	Without model-year change.	Factory, Market & Misc.
Multiplex electrical technology	R3 Eco electrical architecture	Factory, Market & Misc.
Operating environment	Normal operating conditions	Factory, Market & Misc.
Product group	Specification: product group (PERSONENAUTO).	Factory, Market & Misc.
Product line	Corsa (P2JO)	Factory, Market & Misc.
Programmed country	Belgium	Factory, Market & Misc.
Reduction level 0	Without reduction	Factory, Market & Misc.
Refrigerant	R-1234yfrefrigerant	Factory, Market & Misc.
Roetfilter	With particulate filter	Factory, Market & Misc.

CODE / ENTRY	DESCRIPTION	CATEGORY
Route-information reader	Lane-edge prevention, correction and detection	Factory, Market & Misc.
SRC system	Without SRC system	Factory, Market & Misc.
Safety-system connection unit	Safety-system connection unit, Speed 2.0 standard 16ALLUM	Factory, Market & Misc.
Sealing rubber	Fabric sealing on the front sill trim	Factory, Market & Misc.
Seat-cushion filling	Sport front-seat cushion filling	Factory, Market & Misc.
Specified variant / target group	Specification: specified variant / target group (STD).	Factory, Market & Misc.
Speed control	Without separate speed-control system	Factory, Market & Misc.
Speedometer scale	Speedometer scale in km/h	Factory, Market & Misc.
Start button	Neutral round start button with chrome surround	Factory, Market & Misc.
Sticker	Without sticker	Factory, Market & Misc.
Traction battery	Without traction battery	Factory, Market & Misc.
Traffic circulation side	Right-side traffic circulation	Factory, Market & Misc.
Transmitted-informationtypeFixed	list for low-volumemarket distribution	Factory, Market & Misc.
Trim grade	Specification: trim grade (SUPERIEURE, MOYENNE).	Factory, Market & Misc.
VIN	Specification: vin (VXKUPHNSSL4465209).	Factory, Market & Misc.
Vehicle authentication protocol	CEA authentication protocol	Factory, Market & Misc.
Vehicle fast charging	Without vehicle fast charging	Factory, Market & Misc.
Warning / indicator type	LED warning / indicator signalling	Factory, Market & Misc.
INFOTAINMENT & CONNECTIVITY		
Antenna	Rear roof antenna with DAB	Infotainment & Connectivity
Audio auxiliary / USB connection	One USB Type-Aconnection	Infotainment & Connectivity
Display	DGT10C HD display	Infotainment & Connectivity
Display mounting	Lower display mounting	Infotainment & Connectivity
Instrument panel data	High-grade digital display	Infotainment & Connectivity
MirrorLink	With MirrorLink	Infotainment & Connectivity

CODE / ENTRY	DESCRIPTION	CATEGORY
Navigation CD–ROM	Europe navigation CD–ROM	Infotainment & Connectivity
Navigation system	Navigation system with colour display	Infotainment & Connectivity
Radio frequency	Western Europe radio frequency	Infotainment & Connectivity
Radio receiver	Digital interactive audio/navigation system	Infotainment & Connectivity
Radio tuner	Radio with single tuner	Infotainment & Connectivity
Radio version	Radio version Vague 4	Infotainment & Connectivity
Rear loudspeakers	Two rear loudspeakers	Infotainment & Connectivity
Removable module	With wireless charging	Infotainment & Connectivity
Telecom SIM–card connectivity zone	European telecom SIM–card connectivity	Infotainment & Connectivity
Telematics unit	Separate 3S telematics unit	Infotainment & Connectivity
USB charging ports	Two front USB Type–A charging ports	Infotainment & Connectivity
Voice recognition	Separate voice–recognition function with connector	Infotainment & Connectivity
Wi–Fi	Without Wi–Fi	Infotainment & Connectivity
LIGHTING & VISIBILITY		
Ambient lighting	Without ambient lighting	Lighting & Visibility
Automatic lighting ignition	Automatic lighting with automatic switching	Lighting & Visibility
Driver–side front window mechanism	Driver front window with one–touch control	Lighting & Visibility
Fog lamps	Front LED fog lamps	Lighting & Visibility
Front wiper	Front wipers with rain sensor	Lighting & Visibility
Glass finish	Tinted glass	Lighting & Visibility
Headlamp height adjustment	Manual remote headlamp height adjustment	Lighting & Visibility
Headlamps	Specification: headlamps (LED, ECO).	Lighting & Visibility
Interior mirror	Electrochromic interior mirror with day/night function	Lighting & Visibility
Interior trim / equipment change	Standard interior equipment	Lighting & Visibility
License–plate lighting	LED license–plate lighting	Lighting & Visibility
Lower interior lighting	Without lower interior lighting	Lighting & Visibility
Driver/passenger vanity mirrors	Dimmable driver and passenger vanity mirrors without illumination	Lighting & Visibility
Outer–seat reading lamps	Without outer–seat reading lamps	Lighting & Visibility

CODE / ENTRY	DESCRIPTION	CATEGORY
Passenger-side front window mechanism	Passenger front window with one-touch control	Lighting & Visibility
Rain sensor	HW 4.7rain sensor with standard mounting	Lighting & Visibility
Rear window crank	Without rear manual window crank	Lighting & Visibility
Rear window mechanism	Rear electric windows with one-touch function	Lighting & Visibility
Roof glass	Fixed glass roof	Lighting & Visibility
Special lighting	Separate front daytime running lights	Lighting & Visibility
Window trim	Without window decorative trim	Lighting & Visibility
Window-lift motor	Window-lift motors: 11Nm front and 9 Nm rear	Lighting & Visibility
Windscreen type	Standard windscreen	Lighting & Visibility
PERFORMANCE & RUNNING GEAR		
Airconditioning (Compressor)	Externalvariablecompressorwithoutclutch	Performance & Running Gear
Alternator	Class 12UHEA alternator	Performance & Running Gear
Anti-theft protection	With bonnet lock	Performance & Running Gear
Battery	L3 battery, 70 Ah, 760 EN, EFBC specification	Performance & Running Gear
Battery charge-current measurement	With battery state-of-charge measurement	Performance & Running Gear
Battery charger	Without integrated charger	Performance & Running Gear
Bonnet switch / long wiring loom	Without bonnet switch	Performance & Running Gear
Clutch	Z clutch configuration	Performance & Running Gear
Differential-side constant-velocity joint	JB2T differential-side seal	Performance & Running Gear
Drive-mode selector	Multi-mode drive selector	Performance & Running Gear
Drivetrain	Internal-combustion drivetrain	Performance & Running Gear
Drivetrain / transmission	Specification: drivetrain / transmission (AUTOMATISCHE,TRANSMISSIE, VERSN, STT).	Performance & Running Gear
Engine	Specification: engine (EB2ADTS, EU63, CIL, BENZINE).	Performance & Running Gear
Engine cooling	21dm ² EP21 radiator	Performance & Running Gear
Engine displacement	Specification: engine displacement (1200 CM3).	Performance & Running Gear
Engine emissions standard	Euro 6.3 engine emissions standard	Performance & Running Gear

CODE / ENTRY	DESCRIPTION	CATEGORY
Engine output variant	96 kW / 230 Nm	Performance & Running Gear
Engine type	EB engine type	Performance & Running Gear
Exhaust	Dual exhaust outlet	Performance & Running Gear
Exhaust	Longitudinal rear silencer	Performance & Running Gear
Exhaust trim	Chrome exhaust finisher	Performance & Running Gear
Fitted wheels	7-inch-wide wheels with 4-38 offset specification	Performance & Running Gear
Fuel	Unleaded 95 RON fuel, quality A/B/E/E+	Performance & Running Gear
Fuel tank	Fuel tank without filler-nozzle restriction	Performance & Running Gear
Fuel tank capacity	44-litre fuel tank	Performance & Running Gear
Fuel type	Petrol fuel	Performance & Running Gear
Gearbox data	ATNG8 gearbox data	Performance & Running Gear
Gearbox type	ATN8 gearbox type	Performance & Running Gear
Heated steering wheel	Without heated steering wheel	Performance & Running Gear
Interior upholstery type	Factory specification for interior upholstery type.	Performance & Running Gear
Fuel-tank insulation	Without fuel-tank insulation	Performance & Running Gear
Larger tyre size	Without larger tyre size	Performance & Running Gear
Original base engine	Base EB2ADT engine	Performance & Running Gear
PTC power resistor	Without PTC power resistor	Performance & Running Gear
Powertrain undertray	Long air-guide powertrain undertray	Performance & Running Gear
Rear anti-roll bar	Rear anti-roll bar stiffness 30,000 Nm/rad	Performance & Running Gear
Shift mechanism	Shift control via floor and steering column	Performance & Running Gear
Shift-control type	Electronic shift control	Performance & Running Gear
Spare wheel	15-inch temporary spare wheel	Performance & Running Gear
Spare-wheel carrier	Spare-wheel well carrier	Performance & Running Gear

CODE / ENTRY	DESCRIPTION	CATEGORY
Spare-wheel sticker	Without spare-wheel sticker	Performance & Running Gear
Specific powertrain sound	Dynamic powertrain sound	Performance & Running Gear
Startmotor	Stop & Start starter motor	Performance & Running Gear
Steering wheel	Split-leather trimmed steering wheel	Performance & Running Gear
Stop And Start	With Stop & Start starter motor	Performance & Running Gear
Steering-angle sensor	Class 3 virtual steering-angle sensor	Performance & Running Gear
Subframe	Steel subframe	Performance & Running Gear
Suspension	Normal suspension	Performance & Running Gear
Suspension architecture	Suspension architecture 3.2	Performance & Running Gear
Tank filter	Internal tank filter	Performance & Running Gear
