

Volvo V60.

Your car, decoded.

YV1FW738DF126XXXX

A Crystal White Pearl, Finnish-market Volvo V60 Ocean Race estate with D4 diesel power, 8-speed automatic front-wheel drive, Nordic cold-climate usability, Sensus navigation, Volvo On Call and a carefully balanced premium safety and comfort specification.

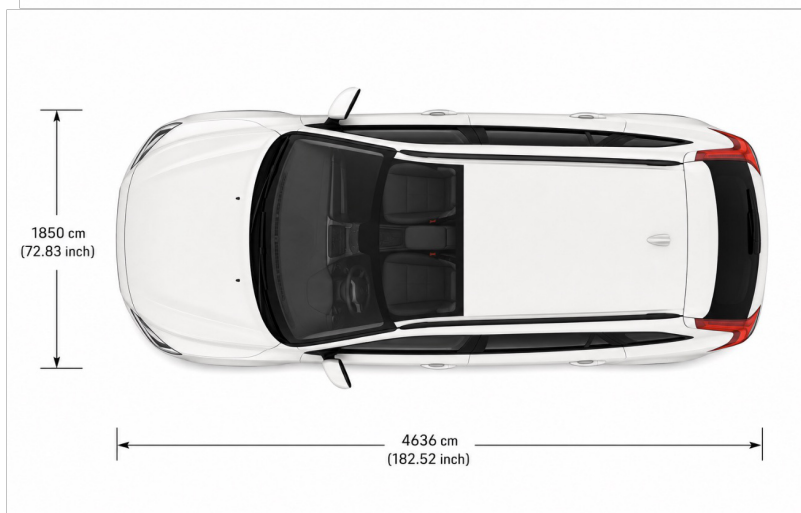

Ocean Race estate character

Special Ocean Race identity, Crystal White Pearl paint, bright exterior details and practical wagon proportions create a distinctive Nordic Volvo profile.

Long-distance Volvo usability

D4 diesel efficiency, automatic transmission, Dynamic chassis, heated seats and parking heater make this V60 especially convincing for daily and touring use.

TOP 10

THE 10 MOST INTERESTING THINGS ABOUT THIS SPECIFIC VOLVO V60

These are the features that most strongly define the vehicle's Nordic-market character, premium estate usability, drivetrain appeal and everyday ownership value.

998996 / NC12

Volvo Ocean Race specification

The Ocean Race identity gives this V60 a more distinctive character than a standard Momentum estate. It adds visual storytelling, special trim details and a stronger collector-style appeal.

73 / D4204T5

D4 diesel powertrain

The D4204T5 diesel engine is the core long-distance asset of this configuration. It suits motorway use, Nordic climates and practical estate ownership with a strong efficiency bias.

DB0C

8-speed automatic front-wheel drive

The automatic transmission and front-wheel-drive layout make this V60 easy to use every day. It is a relaxed configuration for commuting, touring and family use.

110A / 70700

Crystal White Pearl metallic paint

Crystal White Pearl gives the estate a clean premium presence and works especially well with the Ocean Race detailing. It is a commercially attractive colour for a Volvo wagon.

R13Q / R557

Portunus 17-inch wheel package

KZ03 / MCV20 000399

Volvo On Call connectivity

The Portunus 17-inch wheel and 215/50R17 tyre package is a sensible balance between design, ride comfort and running cost. It avoids the harshness of larger wheels while still looking premium.

Volvo On Call adds a useful connected layer to this 2015 V60. Together with GPS time/date and connected service booking, it makes the vehicle feel more modern in ownership.

MCV20 000255 / VA07

Sensus navigation

Sensus navigation is one of the most desirable cabin technology items in this specification. It supports long-distance use and strengthens the premium feel of the dashboard.

2B02 / 2B03

Fuel-operated parking heater

The additional heater is highly relevant for Finnish and Nordic ownership. It improves cold-weather comfort and reduces the harshness of winter starts.

FY03

City Safety

City Safety is a defining Volvo driver-support feature. It adds a valuable safety layer for urban driving and reinforces the brand's safety-led reputation.

NM02 / NG66

Heated leather comfort cabin

Heated front seats, Volvo Ocean Race leather comfort upholstery and black headlining create a warm, premium cabin atmosphere. It is a very usable interior combination for colder markets.

Standout combination: Crystal White Pearl paint, Volvo Ocean Race identity, D4 diesel power, 8-speed automatic transmission, Sensus navigation, Volvo On Call, heated leather comfort cabin, parking heater, rear parking assistance and Dynamic chassis create a very desirable Finnish-market V60 estate configuration.

CATEGORY OVERVIEW

KEY SPECIFICATION BY CATEGORY

The strongest parts of this configuration come from the way its Ocean Race identity, Volvo safety systems, Nordic comfort equipment and long-distance diesel running gear work together.

Comfort & Interior

The cabin combines Volvo Ocean Race character with heated front seats, leather comfort upholstery, thoughtful storage, clean-zone air quality and a calm Scandinavian layout for daily touring.

OWNERSHIP VIEW

OWNERSHIP VIEW

The value in this V60 sits in its Ocean Race specification, D4 diesel powertrain, cold-climate equipment, connected Volvo systems and practical estate body.

Cold-climate hardware is a value point

The fuel-operated heater, heated front seats and Nordic market calibration are important practical assets. Confirm heater operation, timer behaviour and battery condition during inspection.

D4 service history matters

The D4204T5 diesel and 8-speed automatic are well suited to long journeys, but service discipline is important. Oil quality, belt history, cooling behaviour and transmission smoothness deserve attention.

Ocean Race trim should be complete

Special Ocean Race details such as decor panels, mats, tread plates and load cover help define the car's commercial identity. Missing trim lowers the premium feel and should be priced accordingly.

Suspension and tyre wear reveal usage

The Dynamic chassis and 17-inch tyre package should feel composed rather than harsh. Uneven tyre wear, knocking over small bumps or steering vibration can point to alignment, bush or damper issues.

Electronics should be tested as a package

Sensus navigation, Volvo On Call, Bluetooth, USB/iPod, parking assistance, alarm sensors and folding mirrors all contribute to the ownership experience. A clean fault scan and full function test are recommended.

Export profile is straightforward within Europe

This is a left-hand-drive Finnish/Nordic market car with European labels and kilometre-based settings. That makes it a logical candidate for many European markets, provided

local registration requirements
are checked.

Ownership focus: this is a left-hand-drive Finnish/Nordic Volvo V60 D4 Ocean Race estate with Crystal White Pearl paint, black leather comfort interior, Sensus navigation, Volvo On Call, rear parking assistance, parking heater and 17-inch Portunus wheels.
