

Your Hyundai KONA Electric, decoded.

TMAK581GFLJ00XXXX

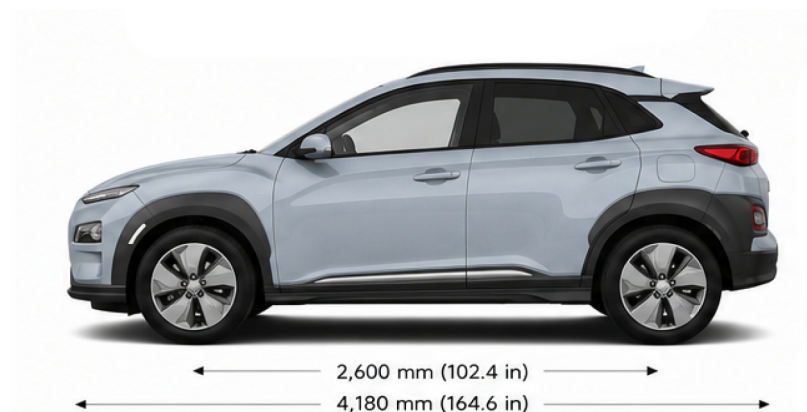

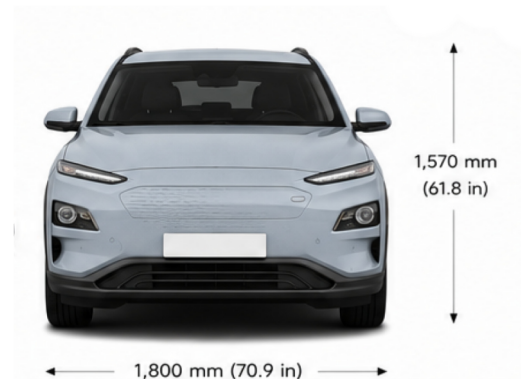

Based on the supplied factory specification, this 2020 Hyundai KONA Electric is recorded as a left-hand-drive, five-door European-market electric crossover with a 150kW motor, extended high-voltage battery specification, 17-inch alloy wheels and an extensive technology and assistance package.

Electric daily-use specification

European combo charging, battery heating, high-power onboard charging and a heat pump support practical EV ownership.

Technology-focused cabin

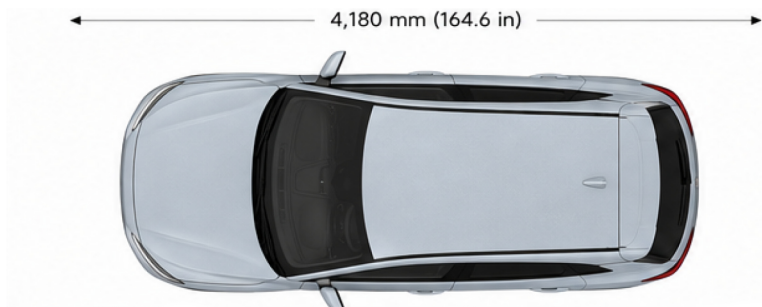

10.25-inch navigation, Krell audio, head-up display, wireless charging and multiple driver-assistance systems are listed.

Factory specification

Core identifiers and configuration details recorded for this exact VIN.

VIN TMAK581GFLJ00XXXX	MODEL Hyundai KONA Electric 20	MODEL YEAR 2020	PRODUCTION DATE 21 May 2020
MODEL CODES HEURP2D20 / 2DW5ZGZ7Z	MOTOR 150kW electric motor	TRANSMISSION Decelerator / single- speed EV drive	DRIVE Left-hand drive
BODY Five-door, five-seat wagon/crossover	EXTERIOR PAINT SU8+P6W [P6W]	INTERIOR Oceanids Black	MARKET C07 — Germany

Recorded colour information

The source lists exterior colour code SU8+P6W [P6W]. The exact physical shade and pearl effect should be checked against the vehicle and manufacturer paint label.

The defining features

Ten customer-relevant elements that most clearly shape this recorded configuration.

3713A1 / 3741A3

Extended high-voltage battery and European combo charging

The build data records an extended high-voltage battery specification together with a European combo charging inlet. Battery health, charging speed and charge-port operation remain important independent checks.

3641A1 / 9764A1

High-power onboard charger and heat pump

Optional-equipment data lists a high-power onboard charger and heat pump. This combination is relevant to charging convenience and cold-weather efficiency.

3712A1

Battery heating system

A dedicated battery-heating system is recorded, supporting thermal management in cooler conditions.

5291VA / 5293GC

17-inch alloy wheel package

The vehicle is listed with 7.0J x 17 alloy wheels and 215/55R17 low-rolling-resistance tyres.

9580A1 / 959PA1

Blind-spot and rear cross-traffic support

Blind-spot collision warning and rear cross-traffic warning are recorded, adding assistance when changing lanes or reversing.

Technology, comfort and ownership

Ten customer-relevant elements that most clearly shape this recorded configuration.

94T4A1 / 958JB2

Autonomous emergency braking

The equipment list includes autonomous emergency braking with vehicle and pedestrian recognition references.

959AB2 / 959EA1

Stop-and-go cruise and lane following

Stop-and-go functionality and lane-following assist are listed. Sensor condition and calibration should be verified.

961NT6 / 963VA8

10.25-inch navigation and Krell audio

The optional specification records a 10.25-inch navigation system, Krell-branded speakers, subwoofer and external amplifier.

957DB1 / 9556A1

Head-up display and wireless charging

A combiner-style head-up display and front wireless charging pad contribute to everyday convenience.

8838B4 / 8873B4

Heated front seats

Three-stage heating is recorded for both front seats, supporting cold-weather comfort.

Standout combination. The 150kW electric drivetrain, extended battery specification, battery heating, heat pump, 10.25-inch navigation, Krell audio, head-up display and broad assistance suite form a well-equipped 2020 KONA Electric configuration.

Key specification by category

Comfort & Interior

The cabin specification combines powered and heated front seating, leather-related trim, practical storage and climate equipment.

CODE	FEATURE
5611B3	3-spoke – leather
8233E1	Center trim – artificial leather
8236A3	Arm rest covering – artificial leather
8451A1	Glove box – with o lock
8452A2	Glove box – with damper
8462A1	Cup holder – fr(with o ill)
846BA1	With storage box arm rest – std(1din)
852BA1	Vanity mirror cover
852EA2	Sunvisor type – sliding type

Key specification by category

Lighting & Visibility

LED lighting, automatic light control, privacy glazing, heated folding mirrors, rain sensing and rear-window heating support visibility.

CODE	FEATURE
8241A3	Front door glass – solar control
8245A5	Rear door glass – privacy
8511C1	Ecm (electric chromic mirror)
8522A1	Vanity mirror – glass type
852GA1	Vanity mirror – glass type
8611B3	With s glass type-tinted (with s/b,solar)
8612A1	Moulding-windshield – black
8711A1	Moulding-back lite – black
8712C2	Back lite glass type –privacy(with heated

+42 further entries in the Complete Appendix

Performance & Running Gear

The electric drivetrain is supported by extended-battery coding, European combo charging, 17-inch wheels, multi-link rear suspension and regenerative braking.

CODE	FEATURE
3281A3	Pedal type – metal pad
3641A1	High-power obc
3711A4	Battery capacity – 45ah (20hr)
3712A1	Battery heating systemtem
3713A1	Battery capacity hv type – battery hv extend
371BA1	Battery under cover
371CA1	Battery saver
371DA1	Battery cover
371EA2	Ev pack

+26 further entries in the Complete Appendix

Practicality & Ownership

Smart-key functions, a lift-up tailgate, luggage equipment, charging accessories and power outlets support daily use.

CODE	FEATURE
529TA7	Tool set & jack label – europe
8131A1	Central door lock/unlock – dr's control
8152A4	Fuel filler door rel type – electric
8171A1	Tail gate type – lift up
8172A1	Tail gate panel material – steel
8173A1	Tail gate open'g device – gas lift
8175A2	Tail gate release type – electric
8177A1	Central tailgate lock/unlock

+22 further entries in the Complete Appendix

Key specification by category

Safety & Driver Assistance

Multiple radar and camera systems, autonomous braking, blind-spot support, lane assistance and occupant protection are recorded.

CODE	FEATURE
5693A3	Side air bag-front – fr(thorax & pelvis)
5695A1	Curtain airbag
569BE1	Air bag label(pass's) – pictogram

5692A3	Passenger side – depowered
569EA1	Passenger airbag on/off switch
569JA1	Passenger airbag on/off lamp

+87 further entries in the Complete Appendix

Advice for this configuration

The main inspection priorities follow from the electric drivetrain, battery and charging hardware, climate system and extensive electronic equipment.

Confirm battery condition

Request a current high-voltage battery health report and compare displayed range, charging behaviour and warning history.

Test AC and DC charging

Verify the European combo inlet, onboard charger and supplied charging equipment across the available charge modes.

Check heat-pump operation

Confirm heating, demisting and cabin-temperature behaviour, particularly in cold conditions.

Verify assistance systems

Front camera, front radar, rear corner radar, lane support and parking guidance depend on clean sensors and correct calibration.

Inspect wheels and tyres

Check the 17-inch wheels and 215/55R17 tyres for matching specification, age, damage and even wear.

Review documentation

Match the VIN, German-market documents, service evidence, keys and charging accessories to the physical vehicle.

Ownership focus. Battery condition, charging performance, heat-pump operation, software status, driver-assistance calibration, tyre condition and complete service evidence deserve the closest attention.

Factory equipment and build entries

Every source entry is included once and assigned to one canonical category.

940BA1	Tachometer
9451A1	Type – digital
94C1A1	A/t position indicator
94C6A1	Direction indicator
94D0A1	Door ajar – door ajar
94E5A1	A.b.s
94F4A1	Set control
94H9A1	E.s.c
94J0A1	E.s.c off
94M0A1	Speedometer type – kmph
94N0A1	Temperature unit – c

Factory equipment and build entries

Factory, Market & Misc. — continued

CODE	DESCRIPTION
94X8A1	Ready
94XCA1	Power down
94XGA1	Sports indicator
9541A1	Body control module – bcm(etacs)
9549A1	B/alarm label – english language
959RA3	F/r
9615A8	Frequency vibration – am9k/fm100k(europe)
9661A2	Single horn – shell type
9721C1	Elec type – rotary+pushbutton type
972DA1	Outside temperature gauge
9763A1	Double pipe ihx
9766A1	Combined condensing condenser
9768A2	Refrigerator – alternative
979EB2	Compressor – electric compressor (with oil-separator)
9819A2	Blade type – hybrid

Legal disclaimer

This independent report is intended for vehicle identification, specification review and general informational use. It has been prepared from interpreted vehicle and factory information supplied for VINTMAK581GFLJ00XXXX. No rights may be derived from it.

This report is not a purchase inspection, physical vehicle inspection, condition report, valuation, warranty, technical diagnosis or confirmation that any listed feature is present or operational.

The report does not verify mileage, service history, accident history, ownership history, battery condition or authenticity beyond the interpreted identifiers. Equipment may have been removed, replaced, modified or may no longer function correctly. Actual identity, installed equipment, condition, operation and history must be independently verified.

The source itself states that catalogue results are proposals that must be checked for correctness. Errors, incomplete records, regional differences and production changes may occur. Technical data has been translated and reformatted for readability.

This report is not affiliated with, endorsed, sponsored, authorised or produced by Hyundai, its manufacturer, an importer or any dealer network. Hyundai, KONA and all other trademarks and model names belong to their respective owners.

The reader remains responsible for independent verification before purchase, sale, registration, repair, valuation or any other reliance. Nothing in this disclaimer is intended to remove statutory consumer rights or exclude liability where exclusion is prohibited by law.
