

Peugeot 3008. Your car, decoded.

VF3MCYHZUMS02XXXX

Based on the supplied factory information, this is a left-hand-drive Peugeot 3008 (P84E) in GT specification, finished in KWE Pearlescent White with a contrasting Black Pearl roof. Its recorded configuration combines a 96 kW 1.5-litre diesel engine, eight-speed automatic transmission, Alcantara-trimmed cabin details, an opening glass roof and a broad package of driver-assistance technology.

Diesel automatic configuration

1.5-litre diesel power, 300 Nm and an eight-speed automatic gearbox form the core of the recorded drivetrain.

Technology-focused GT specification

Night vision, adaptive cruise, blind-spot monitoring, connected navigation and panoramic parking support are listed.

2,675 mm (105.3 in)
4,447 mm (175.1 in)

1,841 mm (72.5 in)

1,624 mm
(63.9 in)

VEHICLE IDENTIFICATION

Recorded specification

The following details are taken from the available vehicle-identification and factory-specification information. They do not constitute a physical inspection.

About Peugeot color codes:
Peugeot uses a 3-character paint code system.
KWE is the code for Pearlescent White.

TOP 10

The 10 most relevant features of this specific Peugeot

These recorded features most strongly define the vehicle's powertrain, comfort, technology and everyday usability.

1.5-litre BlueHDi diesel powertrain

The supplied specification records a DV5RC/UE63 1.5-litre diesel engine producing 96 kW and 300 Nm. This combination is paired with Euro 6.3 emissions control, SCR and a particulate filter.

Eight-speed automatic transmission

An ATN8/ATNG8 eight-speed automatic gearbox is listed, with electronic gear selection. Transmission operation and service history should be independently checked.

Adaptive cruise with stop-and-go

The vehicle data lists speed-limiter and adaptive cruise functionality with stop-and-go capability, supporting more relaxed motorway and congested-road driving.

Emergency braking and blind-spot monitoring

AEBS3 emergency collision braking and blind-spot monitoring are both recorded. Sensor condition and system operation should be verified during inspection.

The 10 most relevant features of this specific Peugeot

These recorded features most strongly define the vehicle's powertrain, comfort, technology and everyday usability.

Night vision and Visio Park 1

Night-vision coding is combined with rear panoramic parking assistance and front-rear obstacle sensors, giving this configuration a strong low-speed and after-dark assistance package.

LED lighting and automatic control

LED headlamps, automatic beam-height adjustment, automatic light activation and rain-sensing wipers are listed in the specification.

GT cabin and exterior detailing

GT badging is paired with Alcantara dashboard and door trim, a perforated full-grain leather steering wheel and aluminium-style pedal detailing.

Heated relaxation-style front seats

Both front seats are recorded with manual relaxation-style controls, while heated-seat equipment is also listed. Physical presence and operation should be confirmed.

Opening panoramic glass roof

The factory information specifies a sliding and tilting glass roof with anti-pinch control, together with a contrasting Black Pearl roof finish.

18-inch Los Angeles alloy wheels

The vehicle is listed with 7.5J x 18 Los Angeles alloy wheels and 225/55 R18 reinforced 3PMSF Goodyear tyres. Actual tyre brand, age and condition may have changed.

Standout Combination. Pearlescent white paint with a black roof, GT detailing, a diesel automatic drivetrain, opening glass roof, heated relaxation-style front seats, night vision and a broad assistance package create a distinctive recorded configuration. Actual fitted equipment and operation should be independently verified.

Key specification by category

A customer-facing selection from the complete factory dataset, organised for quick comparison.

Comfort & Interior

The recorded cabin specification combines Alcantara-related trim details, manually adjustable relaxation-style front seating, heating and automatic climate control.

CODE / ATTRIBUTE	FEATURE
INTERIOR TRIM TYPE	Alcantara leather club "0j".
DASHBOARD EQUIPMENT	Alcantara decor dashboard.
DRIVER SEAT ADJUSTMENT	Driver's seat back with angle adjustment and lumbar support.
HEATING ELEMENT	Heated seat.
REFRIGERATION	Automatic air conditioning.
ROOF GLASS	Sliding-tilting roof window anti-pinch asseq control.

Exterior & Design

Pearlescent white paint, a contrasting black roof, GT identifiers and 18-inch Los Angeles alloy wheels define the recorded exterior configuration.

CODE / ATTRIBUTE	FEATURE
BODY COLOUR	Kwe – pearlescent white paint.
PAINT TYPE	Three-layer pearlescent metallic paint.
ROOF (EXT. ASPECT)	Black pearl roof.
WHEEL STYLE	18-inch los angeles alloy wheel 7.5j18ch 5-49.
GLASS (APPEARANCE)	Tinted ; dark-tinted window glass.
BADGE	Gt.

Key specification by category

A customer-facing selection from the complete factory dataset, organised for quick comparison.

Factory, Market & Misc.

These entries identify the vehicle as a Peugeot 3008 P84E with German programme-country coding and European design specification.

CODE / ATTRIBUTE	FEATURE
DAM	1613689.
PROGRAMME COUNTRY (ICP)	Factory or regional configuration note: germany.
VEHICLE FAMILY	3008 (p84e).
VARIANT ASSOCIATED WITH DESIGN	Factory or regional configuration note: europe.

Infotainment & Connectivity

The factory data lists connected navigation, a high-definition front display, MirrorLink, voice recognition, Wi-Fi and multiple USB connections.

CODE / ATTRIBUTE	FEATURE
DISPLAY	Dgt10chd screen front display.
RADIO RECEIVER	Digital connected navigation.
SATELLITE NAVIGATION SYSTEM	With navigation system colour screen.
MIRROR LINK	With mirror link.
VOICE RECOGNITION	Nuance connectable/independent voice recognition.
WIFI	With wifi.
USB CHARGER SOCKET	2 usb charger sockets type a.

Key specification by category

A customer-facing selection from the complete factory dataset, organised for quick comparison.

Lighting & Visibility

LED headlamps, automatic lighting, rain-sensing wipers, rear panoramic assistance and night-vision coding form a broad visibility package.

CODE / ATTRIBUTE	FEATURE
HEADLAMP BULBS	Led bulb.
HEADLAMP HEIGHT ADJUSTER	Automatic headlamp adjustment.
LIGHTING OF LAMPS	Automatic switching on of the lights; automatic switching.
NIGHT VISION	With night vision.
WINDSCREEN WIPER	Front wiper blade with rain sensor.
PANORAMIC VISUAL AID	With rear panoramic visual assistance visio park1.

Performance & Running Gear

The vehicle is recorded with a 96 kW, 300 Nm 1.5-litre diesel engine, an eight-speed automatic transmission and front-wheel drive.

CODE / ATTRIBUTE	FEATURE
ENGINE	Dv5rc/ue63 1.5l diesel.
POWER VARIATION (ENGINE)	Engine power 96kw – 300nm.
TRANSMISSION	Stt type 8-speed automatic gearbox.
GEARBOX TYPE	Atn8 type gearbox.
FUEL TANK CAPACITY	53 litre fuel tank.
BRAKE TYPE	Ventilated front discs/rear discs.
RIM/TYRE SIZE	18inch tyre fitment.

Key specification by category

A customer-facing selection from the complete factory dataset, organised for quick comparison.

Practicality & Ownership

Hands-free access, configurable luggage space, a folding rear bench and a puncture-repair kit support everyday use.

CODE / ATTRIBUTE	FEATURE
HANDS FREE ACCESS AND STARTING	Front access ; boot ; hands free starting.
LOAD SPACE STORAGE	Retractable floor storage compartment.
REAR SEAT	Separate folding bench seat released from the boot.
EMERGENCY EQUIPMENT	Puncture repair kit.
TYPE OF MAINTENANCE	Normal maintenance.
SET OF KEYS	Set of badge keys ; back-up key.

Safety & Driver Assistance

The available specification lists emergency braking, blind-spot monitoring, adaptive cruise with stop-and-go, driver-alert functions and adaptive stability control.

CODE / ATTRIBUTE	FEATURE
AUTOMATIC BRAKING	Emergency collision braking with aebs3.
BLIND SPOT DETECTION	With blind spot monitoring.
CRUISE CONTROL	Speed limiter acc stop and go regulator.
DRIVER VIGILANCE ALERT	Driver drowsiness detection warning.
DYNAMIC STABILITY CONTROL SYSTEM	With orm adaptive esp system.
TRAFFIC INFORMATION READER	Prevention; trajectory centring lpa.
FRONT LATERAL AIRBAG	Thorax side ; curtain airbag.

Advice for this exact configuration

These points combine configuration-specific observations with general inspection guidance. They are not a diagnosis or condition assessment.

Diesel emissions hardware

The recorded drivetrain includes EGR, a particulate filter and a 17-litre SCR system. Service history, warning messages and correct emissions-system operation should be checked independently.

Automatic gearbox review

The ATN8/ATNG8 eight-speed automatic is central to this configuration. A road test should confirm smooth engagement and shifting, while maintenance records should be reviewed.

Driver-assistance sensors

Night vision, radar parking sensors, blind-spot monitoring and emergency braking depend on cameras, radar and calibration. Their presence, condition and function should be verified after any body or windscreen work.

Roof and water sealing

The opening panoramic roof should be inspected for smooth movement, drainage condition and signs of water ingress, without assuming any known defect.

Wheel and tyre specification

The factory data lists 18-inch wheels and reinforced 3PMSF tyres. Confirm the currently fitted tyre size, load and speed ratings, age, tread depth and matching axle pairs.

German-market and European coding

The supplied information records Germany as the programme country, left-hand drive and European design coding. Registration documentation and regional equipment differences should be checked against the actual vehicle.

Ownership Focus. Prioritise evidence of correct diesel-emissions servicing, smooth automatic-transmission behaviour, sensor-system operation and water-tight panoramic-roof function. Current condition can only be established by inspection and testing.

TYRE (SIZE, TYPE)	225/55 r18 102v 3pmsf reinforced.	Performance & Running Gear
WHEEL (TYPE)	Alloy wheel assembly 1.	Performance & Running Gear
WHEEL EMBELLISHER (STYLE)	Configured without wheel trim.	Performance & Running Gear
WHEELS FITTED	Wheel 7.5j18rim offset 49.	Performance & Running Gear
WHEEL STYLE	18-inch los angeles alloy wheel 7.5j18ch 5-49.	Performance & Running Gear
WIDENED WHEELARCH	Configured without extra-wide wings.	Performance & Running Gear
WINDOW TRIM	Stainless steel window trim.	Performance & Running Gear

Complete appendix – Performance & Running Gear

Practicality & Ownership

Every source entry assigned to this category is retained below. Descriptions are rewritten for readability while identifiers remain unchanged.

CODE / ATTRIBUTE	DESCRIPTION	CATEGORY
BOOT CONTROL	Non-motorised boot or tailgate control.	Practicality & Ownership
CEN. LOCKING REM CONTROL FREQUENCY	Locking remote control frequency 433.92 mhz heterodyne.	Practicality & Ownership
EMERGENCY EQUIPMENT	Puncture repair kit.	Practicality & Ownership
FLOOR MAT	Front and rear mats.	Practicality & Ownership
HANDS FREE ACCESS AND STARTING	Front access ; boot ; hands free starting.	Practicality & Ownership
HANDS FREE BOOT ACCESS	Configured without hands free boot access.	Practicality & Ownership
LOAD SPACE STORAGE	Retractable floor storage compartment.	Practicality & Ownership
LOCKING CONTROL	Normal ; automatic locking.	Practicality & Ownership
LUGGAGE COVER	Shelf.	Practicality & Ownership
NUMBER PLATE	Configured without licence plate.	Practicality & Ownership
NUMBER PLATE LAMP	Led number plate lamp.	Practicality & Ownership
REPARABILITY	Superior reparability.	Practicality & Ownership
TOWBAR	Configured without towbar.	Practicality & Ownership
TYPE OF MAINTENANCE	Normal maintenance.	Practicality & Ownership

Safety & Driver Assistance

Every source entry assigned to this category is retained below. Descriptions are rewritten for readability while identifiers remain unchanged.

CODE / ATTRIBUTE	DESCRIPTION	CATEGORY
AIRBAG DEACTIVATION	Manual airbag deactivation.	Safety & Driver Assistance
AUTOMATICBRAKING	Emergency collisionbrakingwith aebs3.	Safety & Driver Assistance
BLIND SPOT DETECTION	With blind spot monitoring.	Safety & Driver Assistance
BRAKE ASSOCIATED VARIANT	Bosch 9.3 esp.	Safety & Driver Assistance
BRAKE PEDAL RATIO	Brake pedal ratio 3.5.	Safety & Driver Assistance
BRAKE TYPE	Ventilated front discs/rear discs.	Safety & Driver Assistance
CHILD LOCK	Manual rear child lock.	Safety & Driver Assistance
CHILD SEAT ANCHORING POINTS	With child seat mounting with iso front and rear.	Safety & Driver Assistance
DRIVER VIGILANCE ALERT	Driver drowsiness detection warning.	Safety & Driver Assistance
DYNAMIC STABILITY CONTROL SYSTEM	With orm adaptive esp system.	Safety & Driver Assistance
EMERGENCY WARNING TRIANGLE	With warning triangle.	Safety & Driver Assistance
FRONT LATERAL AIRBAG	Thorax side ; curtain airbag.	Safety & Driver Assistance
HILL ASSIST	With ; hadc descent control.	Safety & Driver Assistance
INFLATIONPRESSURE LOSS INDICATOR	Indirect detection of under-inflationwith location.	Safety & Driver Assistance
OBSTACLE DETECTION SYSTEM	Front-rear radar obstacle sensor.	Safety & Driver Assistance
RR BRAKE DIMENSION	Rear disc diameter 290 thickness 12.	Safety & Driver Assistance

CODE / ATTRIBUTE	DESCRIPTION	CATEGORY
SIGN READING	Speed limit sign reading; signalling (etsr).	Safety & Driver Assistance
TRAFFIC INFORMATION READER	Prevention; trajectory centring lpa.	Safety & Driver Assistance

IMPORTANT INFORMATION

Legal disclaimer

This is an independent informational product for vehicle identification, specification review and general information. No rights may be derived from it. This report should not be regarded as a purchase inspection, pre-purchase inspection, physical vehicle inspection, condition report, valuation, appraisal, warranty, guarantee or technical diagnosis, and it is not a statement of mechanical condition.

The report does not verify mileage, service history, accident history, ownership history or authenticity beyond the interpreted identifiers. Listed equipment may no longer be present, may have been modified or may not operate correctly. Actual installed equipment, vehicle identity, condition, operation and history must be independently verified before purchase, sale, registration, repair, valuation or other reliance.

The information is based on interpreted vehicle and factory data available at the time of preparation. Errors, incomplete records, regional differences and production changes may occur. Some identifiers may indicate absence of equipment, market-specific settings, production-related information, software, documentation, internal build differentiation or compliance requirements. Technical information has been interpreted, translated and reformatted.

This report is not affiliated with, endorsed by, sponsored by, authorised by or produced by Peugeot, Stellantis, an importer or a dealer network. Peugeot and all related trademarks and model names belong to their respective owners. Nothing in this disclaimer is intended to remove statutory consumer rights or exclude liability where exclusion is legally prohibited.
