

Volkswagen Golf.

Your car, decoded.

WVWZZZCD4RW11XXXX

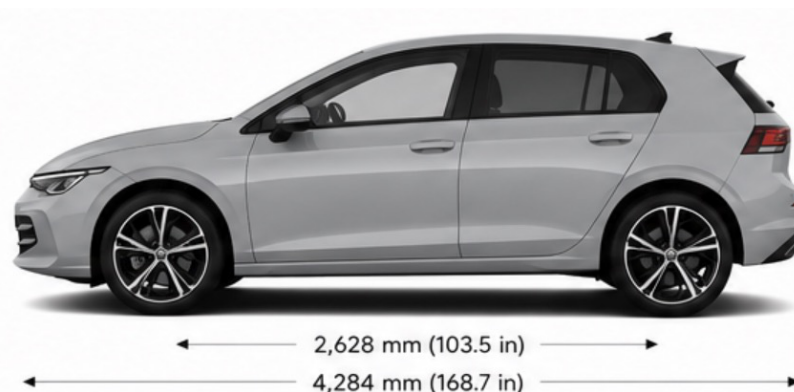

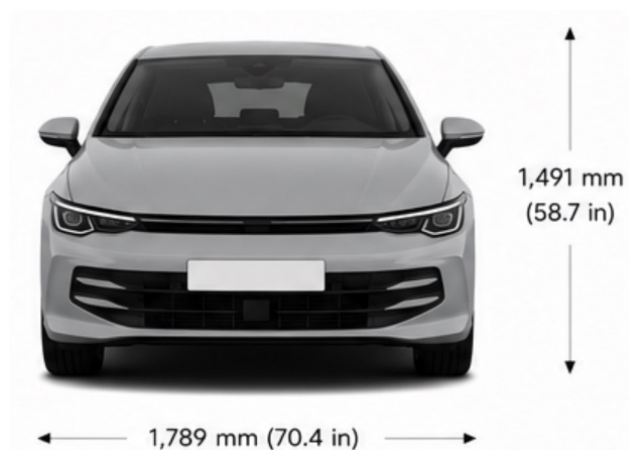

Based on the supplied factory specification, this is a 2024-model-year Volkswagen Golf produced on 9 August 2023 for the Great Britain and Northern Ireland type-approval market. Its recorded configuration combines a 110kW 1.5-litre TSI petrol engine, six-speed manual transmission, right-hand drive, sports equipment, Travel Assist, three-zone Climatronic and Discover Media navigation.

Manual TSI running gear

A 1.5-litre, 110kW petrol engine, six-speed manual gearbox, front-wheel drive and four-link rear suspension form the recorded mechanical package.

Technology-focused sports equipment

Travel Assist, adaptive cruise control, LED lighting, heated comfort features, navigation and parking support define the factory-listed equipment mix.

Factory-recorded identity

VIN WWZZZCD4RW11XXXX	MODEL Golf 1.5BlueMotion Technology	MODEL YEAR 2024	PRODUCTION DATE 9 August 2023
SALES TYPE CD14KX	ENGINE CODE DPCA	TRANSMISSION CODE VCS / six-speed manual	AXLE DRIVE Front-wheel drive
EQUIPMENT BD / sports equipment	ROOF COLOUR C2	EXTERIOR PAINT / CODE C2 / A7C	MARKET Great Britain / Northern Ireland
STEERING Right-hand drive	BODY STYLE Hatchback	ENGINE SPECIFICATION 1.5 TSI, 110kW	WHEELS Ventura 7.5J × 17

The supplied source gives colour codes C2 and A7C but does not separately state a customer-facing paint name. No paint name has therefore been inferred.

1,789 mm (70.4 in)

About Volkswagen color codes:
Volkswagen uses a 3-character paint code system.
Moonstone Grey is a premium metallic color.

The features that define this Golf

DS9 / TJ7 / DPCA

1.5-litre TSI petrol engine

The supplied specification identifies a 1.5-litre four-cylinder TSI petrol engine rated at 110kW. It is a conventional combustion-engine configuration without hybrid drive.

G0K / VCS

Six-speed manual transmission

A six-speed manual gearbox is recorded, paired with front-wheel drive and an electronic XDS differential function.

PF2 / 8T8

Travel Assist and adaptive cruise control

The available data lists semi-automated Travel Assist together with adaptive cruise control, follow-to-stop capability and speed limiting. Correct operation should be verified during inspection.

8J3 / 4G3

Collision and emergency steering support

Forward collision warning can react to vehicles, pedestrians and cyclists, while emergency steering support and turn assist add another layer of driver assistance.

The features that define this Golf

79H / 6I2

Lane, traffic and exit assistance

Lane keeping with traffic-jam support is combined with rear traffic alert, lane-change assistance and an exit-warning function.

KH7 / WW1

Three-zone Climatronic and winter package

The recorded comfort specification includes three-zone climate control, individually controlled heated front seats, a heated steering wheel and heated washer nozzles.

7UT / RBD / 9WJ

Discover Media with connected services

The factory data lists Discover Media navigation with streaming and internet functions, MIB3 infotainment and wired or wireless App-Connect.

8IY / PLA

LED lighting and visibility package

LED headlamps, high-beam assistance, dynamic range control, rain sensing and automatic Coming and Leaving Home functions shape the lighting specification.

PJ3 / C3Z

17-inch Ventura alloy wheels

The vehicle is recorded with 7.5J × 17 Ventura alloy wheels and 225/45R17 tyres, supported by a space- and weight-saving spare wheel.

KA2 / 7X2

Rear-view camera and parking sensors

A rear-view camera is combined with front and rear park-distance control, helping with low-speed manoeuvring and parking.

Standout combination: a manual 1.5TSI Golf with sports equipment, Travel Assist, adaptive cruise control, three-zone Climatronic, heated front comfort features, Discover Media, LED lighting and 17-inch Ventura wheels.

Comfort & Interior

The recorded cabin equipment combines sports comfort seats with heated front seating, three-zone climate control and ambient lighting.

CODE	FEATURE
0TD	Floor mats in front and rear
2FM	Leather multi-function steering wheel, heated
3L3	Manual height adjustment for front seats
3NU	Unsplit rear seat bench, split folding backrest, with center armrest
4A3	Seat heater for front seats separately controlled
4L6	Breakaway interior rearview mirror, auto-dimming
5XJ	Sun visors with mirror, illuminated, with airbag label on sun visor and B-pillar
6E3	Center armrest in front
6T2	Interior light in footwell in front and rear
6XQ	Exterior mirrors with memory feature, power- folding/adjustable, separately heated
7P4	Manually adjustable lumbar support in front seats
KH7	Climatronic (3-zone)with air conditioning control panel in rear system
Q4H	Sports comfort seats in front
QQ9	Interior ambient lighting, type 2
WW1	Winter package

Exterior & Design

The exterior specification is defined by sports bumpers, bright and chrome detailing, exterior ambient lighting and 17-inch Ventura alloys.

CODE	FEATURE
0NB	Nameplate set in basic style
0P0	Rear exhaust tailpipe (standard)
1J2	With welcome light (mirror) (mirror)
2JD	Sports bumpers
3FA	Without roof insert (standard roof)
4KC	Side and rear windows in heat-insulating glass
4ZN	Bright decorative trims
5MJ	Decorative inserts
6FF	Exterior mirror housings and various add-on parts in body color
C3Z	Alloy wheels 7.5J x 17
FB0	Normal paintwork
K8G	Hatchback
PJ3	"Ventura" 7.5J x 17, tires 225/45 R17
QJ1	Chrome package
UD2	Ambient lighting, exterior illuminated styling elements at the sides and in the front

Factory, Market & Misc.

These entries identify the right-hand-drive UK-market production context, standard model status and factory-specific build information.

CODE	FEATURE
0ED	Installation differentiation for transmission MQ 281-- vehicle parts components --
0FA	Standard manufacturing sequence process
0VF	Manual in English
0Y1	Standard climatic zones
1EX	Special identification label for EC for M1passenger vehicles
2CM	Vehicle class differentiation -5H0- powertrains/platform parts
5K7	Transport protection film (minimum protection) with additional protection transport protection measures
A8F	Sports equipment
AV0	Driving on the left
B09	Type approval country GB/Northern Ireland countries with specific requirements
B0A	Part set without country-specific prescriptive standard prescriptive standards
C23	Operating permit, alteration
E0A	No special edition
F0A	No special purpose vehicle, standard equipment
FM0	Basic equipment variant
IG0	Standard curb weight range
NIO	Without UN-ECE cybersecurity & software update

Infotainment & Connectivity

The connected environment centres on MIB3, Discover Media, App-Connect, digital radio, online services and USB-C connectivity.

CODE	FEATURE
7J2	Freely programmable instrument cluster Medium
7UT	Standard navigation system with media and internet package
8AR	Optional infotainment system (MIB3)
8RT	Speakers in front and rear
8ZQ	Antenna for FM reception only, diversity Two-way radio installation preparation 9D0 without preparation for two-way radio system
9WJ	Wired & Wireless App-Connect connection
9ZV	Comfort telephony without external antenna connection
EL5	Online service, with OCU, with head unit coding, without engine immobilizer interconnection
ER1	Regional code " ECE " for radio
NZ4	Private emergency call system
QV3	Digitaler Radioempfang
RBD	Navigation system "Discover Media" incl. Streaming & Internet
U9E	External, USB type C data socket(s) and charging socket(s) with increased charging capacity
YOS	Preparation for We Connect and We Connect Plus or VW

Lighting & Visibility

LED headlamps, rain and light sensing, high-beam support and automatic illumination functions form the visibility package.

CODE	FEATURE
4GF	Heat-reflecting windshield
4L6	Breakaway interior rearview mirror, auto-dimming
6XQ	Exterior mirrors with memory feature, power- folding/adjustable, separately heated
8G1	High-beam assistant
8IY	LED headlamps with lens
8N6	Windshield wiper intermittent control with light/rain sensor control/ light/rain sensor
8Q3	Dynamic headlight range control (self-adjusting while driving)
8TL	Rear fog light on one side, back-up light on both sides
8VG	LED rear combination lamp Front fog lamps/additional headlamps 8WP Poor weather light, cornering light and highway light
9I5	Separate daytime running light with automatic headlight control and automat. Coming and Leaving Home feature
9T1	Heated washer nozzles in front
PLA	Lights & Vision package

Performance & Running Gear

The running gear combines a 1.5TSI petrol engine, six-speed manual transmission, front-wheel drive and four-link rear suspension.

CODE	FEATURE
0AD	Front stabilizer bar
0BD	Rear stabilizer bar
0N4	4-link rear suspension
1AQ	Brake control system for vehicles without electric drive (ESC and electromechanical brake booster)
1JA	Rear shock absorption, basic version 1
1KE	Disc brakes in rear
1N3	Speed-related variable steering assist (Servotronic)
1X0	Front-wheel drive
1Y3	Electronic differential lock XDS, dynamic traction support
1ZE	Disc brakes in front (Geomet D)
4BI	Emission standard EU6 AP
7L6	Start-stop system with regenerative braking
DS9	4-cylinder SI engine 1.5l/110kW TSI base engine is TJ7/N09/T9F/T57/T0D
G01	Shock absorption in front
G0K	6-speed manual transmission
H6L	Tires 225/45 R17 91W
TJ7	4-cylinder SI engine 1.5l unit 05E.A

Practicality & Ownership

Everyday practicality includes a compact spare, tools and jack, split-folding rear seating, a luggage-area power socket and variable servicing.

CODE	FEATURE
1G9	Space-saving spare wheel for temporary use, radial tire (5-hole)
1PE	Wheel bolts with anti-theft protection (unlockable)
1S1	Vehicle tools and jack
3A2	Child seat anchors f. child seat system i-Size, 2x top tether and child seat anchors in front on front passenger side
3NU	Unsplit rear seat bench, split folding backrest, with center armrest
4E0	Tailgate/trunk lid unlocking from outside tailgate/trunk lid/rear gate
4I6	Central locking system Keyless-Go mechanism
7B2	12Volt socket in luggage compartment
7K1	Tire pressure monitoring system
QG1	LongLife Service Regime
QI6	Service indicator 30 000 km or 2 years (variable)
PRD	Space- and weight-saving spare wheel
UK1	Standard rear seat release

Safety & Driver Assistance

The assistance package includes Travel Assist, adaptive cruise control, lane and traffic support, collision braking and parking aids.

CODE	FEATURE
3QH	3-point seat belts in front, with pretensioner/lap belt pretensioner and height adjustment
3T2	3 rear head restraints
3ZU	3-point seat belts, outer rear with ECE label
4G3	With emergency steering support with turn assist braking when turning
4UF	Airbag on driver and front passenger side, without knee airbag, with front passenger airbag deactivation
6C2	Side airbag in front with curtain airbag and interaction airbag in front
6I2	Lane keeping system plus traffic jam assist
6Y8	Speed limiter
79H	Rear traffic alert and lane change system and exit warning system system
7AL	Anti-theft alarm system, interior monitoring, backup horn, and towing protection
7X2	Park distance control in front and rear
8J3	Forward collision warning with warning and braking reaction to vehicles, pedestrians and cyclists
8T8	Adaptive cruise control (with "follow-to-stop") and speed limiter
9P4	Visual and acoustic seat belt reminder, electric contact in front and rear
EM1	Driver alert system
KA2	With rear view camera system (type 2)
PF2	Semi-automated driving assistance Travel Assist
QK1	With multifunction camera
QR9	With traffic-sign recognition
VL1	Extended pedestrian protection
WD1	Anti-theft alarm system

Advice for this exact configuration

Manual petrol configuration

This vehicle is recorded without hybrid drive. The 1.5-litre TSI engine and six-speed manual transmission create a conventional combustion-engine ownership profile.

Driver-assistance calibration

Travel Assist, adaptive cruise control, lane support, rear traffic alert and collision systems depend on cameras and sensors. Warning messages, calibration and consistent operation should be checked.

UK-market orientation

The factory information records right-hand drive, mph instrumentation and GB/Northern Ireland type approval. These points are relevant when registering or using the vehicle in another market.

Connected services

Discover Media, online services, App-Connect and emergency-call functions may depend on software version, account status, subscriptions and network availability.

Winter and climate equipment

Heated seats, heated steering wheel, heated washer nozzles and three-zone Climatronic should be tested from cold through their full range of operation.

Wheels and spare

The vehicle is listed with 17-inch Ventura wheels and a compact spare wheel. Tyre specification, wheel condition and the physical presence of tools and spare should be verified.

This ownership view interprets factory data only. It does not verify current condition, software status, service history or the operation of listed equipment.

Checks for this exact specification

Use the recorded configuration as a comparison point, then inspect and test the vehicle itself.

CODE	FEATURE
0AD	Front stabilizer bar
0B1	Wheelbases: Wheelbase
0BD	Rear stabilizer bar
0ED	Installation differentiation for vehicle: Installation differentiation for transmission MQ 281 -- vehicle parts components --
0FA	Differentiation for manufacturing: Standard manufacturing sequence process
0K0	Without alternative drive system
0KA	Labels (customer specific or: Without decals and emblems campaigns)
0N4	Rear axle: 4-link rear suspension
0NB	Nameplate set in basic style
0P0	Tailpipes: Rear exhaust tailpipe (standard)
0TD	foot mats: Floor mats in front and rear
0VF	Owner's manuals: Manual in English
0Y1	Climate zones: Standard climatic zones
0YD	Weight category for rear axle: Weight range 4 installation control only, no requirement forecast
1A5	Fuel systems: Fuel system for fuel-injected SI engine
1AQ	Brake systems: Brake control system for vehicles without electric drive (ESC and electromechanical brake booster)
1D0	Without trailer hitch
1E5	Activated carbon canister/gasoline: Activated carbon canister (Evaporative Emission Control System particulate filter (EVAP))
1EX	Identification labels: Special identification label for EC for M1passenger vehicles
1G9	Spare wheel/breakdown kit: Space-saving spare wheel for temporary use, radial tire (5-hole)
1J2	Surround lighting, logo projector: With welcome light (mirror) (mirror)
1JA	Shock absorption in rear: Rear shock absorption, basic version 1
1KE	Rear brakes: Disc brakes in rear
1N3	Steering system: Speed-related variable steering assist (Servotronic)
1PE	Lockable wheel bolts: Wheel bolts with anti-theft protection (unlockable)
1S1	Vehicle tools and jack
1SA	Front-end underbody cladding: Without additional front underbody guard

CODE	FEATURE
1T0	First aid kit/warning triangle: Without first aid kit and warning triangle
1X0	Drive type: Front-wheel drive
1Y3	Electronic differential lock XDS, dynamic traction support
1Z2	Fuel filling volume: Increase in initial standard fuel filling

All codes and descriptions

CODE	FEATURE
1ZE	Front brakes: Disc brakes in front (Geomet D)
20A	Hybrid drive: Without electric motor (hybrid)
2CM	Vehicle class differentiation –5H0– powertrains/platform parts
2F0	Without locking and starting systems
2FM	Steering wheels: Leather multi-function steering wheel, heated
2H0	Driving mode selection: Without "drive select"
2JD	Sports bumpers
2WA	Additional tires (snow tires): Without additional tyres
3A2	Additional child seat anchorage: Child seat anchors f. child seat system i-Size, 2x top tether and child seat anchors in front on front passenger side
3CA	Without partition
3FA	Roof insert/convertible top: Without roof insert (standard roof)
3H0	Without backrest release for front seats
3L3	Seat adjustment: Manual height adjustment for front seats
3LT	Door and side trim panels: Door and side trim panel
3NU	Rear seats: Unsplit rear seat bench, split folding backrest, with center armrest
3QH	Restraint systems in front: 3-point seat belts in front, with pretensioner/lap belt pretensioner and height adjustment
3S0	Roof rails/roof rack: Without roof rails/roof load rack
3T2	Head restraints in rear: 3 rear head restraints
3ZU	Outer seat belts in rear: 3-point seat belts, outer rear with ECE label
4A3	Seat heater for front seats separately controlled
4BI	Emission standard EU6 AP
4D0	Without seat ventilation/massage seat
4E0	Closing/opening mechanism: Tailgate/trunk lid unlocking from outside tailgate/trunk lid/rear gate
4G3	Swerve support/oncoming vehicle: With emergency steering support with turn assist braking when turning
4GF	Heat-reflecting windshield
4I6	Door and tailgate/trunk lid locking: Central locking system Keyless-Go mechanism
4KC	Side and rear windows in heat-insulating glass

CODE	FEATURE
4L6	Breakaway interior rearview mirror, auto-dimming
4P0	Rear floor panel platform module: Rear floor panel module, type 1
4UF	Airbag on driver and front passenger side, without knee airbag, with front passenger airbag deactivation
4ZN	Bright decorative trims

All codes and descriptions

CODE	FEATURE
5C0	Without special body measures
5F1	Carrier frequency for remote control: UWB-capable country and carrier frequency, 433.92 to 434.42
5JA	Exterior mirrors: aspherical on driver side, convex on front passenger side
5K7	Paint preservation/transport: Transport protection film (minimum protection) with additional protection transport protection measures
5MJ	Decorative inserts
5XJ	Sun visors with mirror, illuminated, with airbag label on sun visor and B-pillar
5ZF	Head restraints in front
6A0	without fire extinguisher
6C2	Side airbag in front with curtain airbag and interaction airbag in front
6E3	Center armrest in front
6FF	Components with special surfaces: Exterior mirror housings and various add-on parts in body color
6I2	Lane keeping system/traffic jam assist: Lane keeping system plus traffic jam assist
6NA	Unsplit molded headliner
6Q2	Gearshift knob/gearshift handle: Gearshift knob/handle in leather
6T2	Interior lighting in footwell: Interior light in footwell in front and rear
6XQ	Exterior mirror adjustment: Exterior mirrors with memory feature, power-folding/adjustable, separately heated
6Y8	Speed alert system/speed limiter: Speed limiter
76A	Without mode 3 charging cable
79H	Lane change system/lane keeping: Rear traffic alert and lane change system and exit warning system system
7AL	Theft protection system: Anti-theft alarm system, interior monitoring, backup horn, and towing protection
7B2	Outlet: 12Volt socket in luggage compartment
7E0	Thermal energy storage: Without heat accumulator/auxiliary heater system/auxiliary heater
7J2	Multi-function display/trip computer: Freely programmable instrument cluster Medium
7K1	Tire pressure monitoring system
7L6	Start-stop system/regenerative: Start-stop system with regenerative braking braking
7P4	Lumbar support in backrests: Manually adjustable lumbar support in front seats

CODE	FEATURE
7U0	Standard engine starter
7UT	Standard navigation system with media and internet package
7W0	Extended safety system: No enhanced safety system
7X2	Park distance control in front and rear
8AR	Radios: Optional infotainment system (MIB3)

All codes and descriptions

CODE	FEATURE
8FA	Second battery/battery installation: Without second battery
8G1	Light assist systems: High-beam assistant
8GU	Alternators: Alternator 140A
8IY	Main headlamps: LED headlamps with lens
8J3	Stopping distance reduction system: Forward collision warning with warning and braking reaction to vehicles, pedestrians and cyclists
8N6	Intermittent windshield wiper: Windshield wiper intermittent control with light/rain sensor control/ light/rain sensor
8Q3	Dynamic headlight range control (self-adjusting while driving)
8RT	Loudspeaker installation: Speakers in front and rear
8S6	2 reading lights in front
8T8	cruise control system: Adaptive cruise control (with "follow-to-stop") and speed limiter
8TL	rear fog lamp: Rear fog light on one side, back-up light on both sides
8VG	Rear combination lamps: LED rear combination lamp Front fog lamps/additional headlamps 8WP Poor weather light, cornering light and highway light
8X7	Without headlamp washer system, with washer fluid level indicator

IMPORTANT INFORMATION

Source, scope and limitations

This report is based solely on the supplied vehicle–identification and factory–specification information for VIN WVVZZZCD4RW1XXXX. It is an independent editorial interpretation and is not a physical inspection, valuation, authenticity certificate, service–history check or mechanical diagnosis.

The presence, originality, condition and correct operation of every listed feature must be independently verified. Equipment may have been removed, replaced, retrofitted, repaired, reprogrammed or altered after production. Connected functions can depend on software, accounts, subscriptions, mobile networks and regional availability.

No statement confirms that the vehicle is accident–free, mechanically sound, fault–free, correctly maintained, of verified mileage or suitable for a particular purpose. Professional inspection, diagnostic testing and documentary checks remain advisable.

This report is not produced by, endorsed by or affiliated with Volkswagen, its importer, dealer network or any other manufacturer organisation.
